CPA

WHAT IS AN INVESTIGATIVE CERTIFIED PUBLIC ACCOUNTANT (ICPA)?

ICPAs perform complex technical investigations with a high degree of independence. They may act in a lead capacity to direct or review the work of other certified public accountants (CPAs). ICPAs also provide technical support to legal counsel during litigation, provide expert witness testimony at administrative disciplinary proceedings, and other related work.

WORKING AT THE CBA

At the CBA, you'll receive a telework schedule including all necessary equipment provided, while working with a supportive management team.
