The proceedings under this section shall be governed by Chapter 3 (commencing with Section 525) of Title 7 of Part 2 of the Code of Civil Procedure.

The remedy provided for by this section shall be in addition to, and not a limitation on, the authority provided for in any other provision of law.

(Added by renumbering Section 497 by Stats. 1989, Ch. 1022, Sec. 4.)

125. Misdemeanor Offenses by Licensees

Any person, licensed under Division 1 (commencing with Section 100), Division 2 (commencing with Section 500), or Division 3 (commencing with Section 5000) is guilty of a misdemeanor and subject to the disciplinary provisions of this code applicable to them, who conspires with a person not so licensed to violate any provision of this code, or who, with intent to aid or assist that person in violating those provisions does either of the following:

- (a) Allows their license to be used by that person.
- (b) Acts as their agent or partner.

(Amended by Stats. 2019, Ch. 351, Sec. 26. (AB 496) Effective January 1, 2020.)

- (a) Except as otherwise provided by law, in any order issued in resolution of a disciplinary proceeding before any board within the department or before the Osteopathic Medical Board, upon request of the entity bringing the proceeding, the administrative law judge may direct a licensee found to have committed a violation or violations of the licensing act to pay a sum not to exceed the reasonable costs of the investigation and enforcement of the case.
- (b) In the case of a disciplined licensee that is a corporation or a partnership, the order may be made against the licensed corporate entity or licensed partnership.

The costs shall include the amount of investigative and enforcement costs up to the date of the hearing, including, but not limited to, charges imposed by the Attorney General.
- (d) The administrative law judge shall make a proposed finding of the amount of reasonable costs of investigation and prosecution of the case when requested pursuant to subdivision (a). The finding of the administrative law judge with regard to costs shall not be reviewable by the board to increase the cost award. The board may reduce or eliminate the cost award, or remand to the administrative law judge if the proposed decision fails to make a finding on costs requested pursuant to subdivision (a).
- (e) If an order for recovery of costs is made and timely payment is not made as directed in the board's decision, the board may enforce the order for repayment in any appropriate court. This right of enforcement shall be in addition to any other rights the board may have as to any licensee to pay costs.

- (f) In any action for recovery of costs, proof of the board's decision shall be conclusive proof of the validity of the order of payment and the terms for payment.
- (g) (1) Except as provided in paragraph (2), the board shall not renew or reinstate the license of any licensee who has failed to pay all of the costs ordered under this section. (2) Notwithstanding paragraph (1), the board may, in its discretion, conditionally renew or reinstate for a maximum of one year the license of any licensee who demonstrates financial hardship and who enters into a formal agreement with the board to reimburse the board within that one-year period for the unpaid costs.
- (h) All costs recovered under this section shall be considered a reimbursement for costs incurred and shall be deposited in the fund of the board recovering the costs to be available upon appropriation by the Legislature.
- (i) Nothing in this section shall preclude a board from including the recovery of the costs of investigation and enforcement of a case in any stipulated settlement.
- (j) This section does not apply to any board if a specific statutory provision in that board's licensing act provides for recovery of costs in an administrative disciplinary proceeding.

(Amended by Stats. 2021, Ch. 649, Sec. 1. (SB 806) Effective January 1, 2022.)

125.5. Enjoining Violations; Restitution Orders

- (a) The superior court for the county in which any person has engaged or is about to engage in any act which constitutes a violation of a chapter of this code administered or enforced by a board within the department may, upon a petition filed by the board with the approval of the director, issue an injunction or other appropriate order restraining such conduct. The proceedings under this section shall be governed by Chapter 3 (commencing with Section 525) of Title 7 of Part 2 of the Code of Civil Procedure. As used in this section, "board" includes commission, bureau, division, agency and a medical quality review committee.
- (b) The superior court for the county in which any person has engaged in any act which constitutes a violation of a chapter of this code administered or enforced by a board within the department may, upon a petition filed by the board with the approval of the director, order such person to make restitution to persons injured as a result of such violation.
- (c) The court may order a person subject to an injunction or restraining order, provided for in subdivision (a) of this section, or subject to an order requiring restitution pursuant to subdivision (b), to reimburse the petitioning board for expenses incurred by the board in its investigation related to its petition.
- (d) The remedy provided for by this section shall be in addition to, and not a limitation on, the authority provided for in any other section of this code.

(Amended by Stats. 1982, Ch. 517, Sec. 1.)

125.6. Unlawful Discrimination by Licensees

- (a) (1) With regard to an applicant, every person who holds a license under the provisions of this code is subject to disciplinary action under the disciplinary provisions of this code applicable to that person if, because of any characteristic listed or defined in

subdivision (b) or (e) of Section 51 of the Civil Code, the person refuses to perform the licensed activity or aids or incites the refusal to perform that licensed activity by another licensee, or if, because of any characteristic listed or defined in subdivision (b) or (e) of Section 51 of the Civil Code, the person makes any discrimination, or restriction in the performance of the licensed activity.

(2) Nothing in this section shall be interpreted to prevent a physician or health care professional licensed pursuant to Division 2 (commencing with Section 500) from considering any of the characteristics of a patient listed in subdivision (b) or (e) of Section 51 of the Civil Code if that consideration is medically necessary and for the sole purpose of determining the appropriate diagnosis or treatment of the patient.

(3) Nothing in this section shall be interpreted to apply to discrimination by employers with regard to employees or prospective employees, nor shall this section authorize action against any club license issued pursuant to Article 4 (commencing with Section 23425) of Chapter 3 of Division 9 because of discriminatory membership policy.

(4) The presence of architectural barriers to an individual with physical disabilities that conform to applicable state or local building codes and regulations shall not constitute discrimination under this section.

(b) (1) Nothing in this section requires a person licensed pursuant to Division 2 (commencing with Section 500) to permit an individual to participate in, or benefit from, the licensed activity of the licensee where that individual poses a direct threat to the health or safety of others. For this purpose, the term "direct threat" means a significant risk to the health or safety of others that cannot be eliminated by a modification of policies, practices, or procedures or by the provision of auxiliary aids and services.

(2) Nothing in this section requires a person licensed pursuant to Division 2 (commencing with Section 500) to perform a licensed activity for which the person is not qualified to perform.

(c) (1) "Applicant," as used in this section, means a person applying for licensed services provided by a person licensed under this code.

(2) "License," as used in this section, includes "certificate," "permit," "authority," and "registration" or any other indicia giving authorization to engage in a business or profession regulated by this code.

(Amended by Stats. 2019, Ch. 351, Sec. 28. (AB 496) Effective January 1, 2020.)

125.8. Temporary Order Restraining Licensee Engaged or About to Engage in Violation of Law

In addition to the remedy provided for in Section 125.5, the superior court for the county in which any licensee licensed under Division 3 (commencing with Section 5000) or Chapter 2 (commencing with Section 18600) or Chapter 3 (commencing with Section 19000) of Division 8 has engaged or is about to engage in any act which constitutes a violation of a chapter of this code administered or enforced by a board referred to in Division 3 (commencing with Section 5000) or Chapter 2 (commencing with Section 18600) or Chapter 3 (commencing with Section 19000) of Division 8 may, upon a petition filed by the board and accompanied by an affidavit or affidavits in support thereof and a memorandum of points and authorities, issue a temporary restraining order or other appropriate order restraining the licensee from engaging in the business

or profession for which the person is licensed or from any part thereof, in accordance with the provisions of this section.

(a) If the affidavits in support of the petition show that the licensee has engaged or is about to engage in acts or omissions constituting a violation of a chapter of this code and if the court is satisfied that permitting the licensee to continue to engage in the business or profession for which the license was issued will endanger the public health, safety, or welfare, the court may issue an order temporarily restraining the licensee from engaging in the profession for which he is licensed.

(b) Such order may not be issued without notice to the licensee unless it appears from facts shown by the affidavits that serious injury would result to the public before the matter can be heard on notice.

(c) Except as otherwise specifically provided by this section, proceedings under this section shall be governed by Chapter 3 (commencing with Section 525) of Title 7 of Part 2 of the Code of Civil Procedure.

(d) When a restraining order is issued pursuant to this section, or within a time to be allowed by the superior court, but in any case not more than 30 days after the restraining order is issued, an accusation shall be filed with the board pursuant to Section 11503 of the Government Code. The accusation shall be served upon the licensee as provided by Section 11505 of the Government Code. The licensee shall have all of the rights and privileges available as specified in Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code; however, if the licensee requests a hearing on the accusation, the board must provide the licensee with a hearing within 30 days of the request and a decision within 15 days of the date of the conclusion of the hearing, or the court may nullify the restraining order previously issued. Any restraining order issued pursuant to this section shall be dissolved by operation of law at such time the board's decision is subject to judicial review pursuant to Section 1094.5 of the Code of Civil Procedure.

(Amended by Stats. 1982, Ch. 517, Sec. 3.)

125.9. System for Issuance of Citations to Licensees; Contents; Fines

(a) Except with respect to persons regulated under Chapter 11 (commencing with Section 7500), any board, bureau, or commission within the department, the State Board of Chiropractic Examiners, and the Osteopathic Medical Board of California, may establish, by regulation, a system for the issuance to a licensee of a citation which may contain an order of abatement or an order to pay an administrative fine assessed by the board, bureau, or commission where the licensee is in violation of the applicable licensing act or any regulation adopted pursuant thereto.

(b) The system shall contain the following provisions:

(1) Citations shall be in writing and shall describe with particularity the nature of the violation, including specific reference to the provision of law determined to have been violated.

(2) Whenever appropriate, the citation shall contain an order of abatement fixing a reasonable time for abatement of the violation.

(3) In no event shall the administrative fine assessed by the board, bureau, or commission exceed five thousand dollars (\$5,000) for each inspection or each

investigation made with respect to the violation, or five thousand dollars (\$5,000) for each violation or count if the violation involves fraudulent billing submitted to an insurance company, the Medi-Cal program, or Medicare. In assessing a fine, the board, bureau, or commission shall give due consideration to the appropriateness of the amount of the fine with respect to factors such as the gravity of the violation, the good faith of the licensee, and the history of previous violations.

(4) A citation or fine assessment issued pursuant to a citation shall inform the licensee that if the licensee desires a hearing to contest the finding of a violation, that hearing shall be requested by written notice to the board, bureau, or commission within 30 days of the date of issuance of the citation or assessment. If a hearing is not requested pursuant to this section, payment of any fine shall not constitute an admission of the violation charged. Hearings shall be held pursuant to Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code.

(5) Failure of a licensee to pay a fine or comply with an order of abatement, or both, within 30 days of the date of assessment, unless the citation is being appealed, may result in disciplinary action being taken by the board, bureau, or commission. Where a citation is not contested and a fine is not paid, the full amount of the assessed fine shall be added to the fee for renewal of the license. A license shall not be renewed without payment of the renewal fee and fine.

(c) The system may contain the following provisions:

(1) A citation may be issued without the assessment of an administrative fine.

(2) Assessment of administrative fines may be limited to only particular violations of the applicable licensing act.

(d) Notwithstanding any other provision of law, if a fine is paid to satisfy an assessment based on the finding of a violation, payment of the fine and compliance with the order of abatement, if applicable, shall be represented as satisfactory resolution of the matter for purposes of public disclosure.

(e) Administrative fines collected pursuant to this section shall be deposited in the special fund of the particular board, bureau, or commission.

(Amended by Stats. 2020, Ch. 312, Sec. 3. (SB 1474) Effective January 1, 2021.)

127. Submission of Reports to Director

Notwithstanding any other provision of this code, the director may require such reports from any board, commission, examining committee, or other similarly constituted agency within the department as the director deems reasonably necessary on any phase of their operations.

(Amended by Stats. 2019, Ch. 351, Sec. 30. (AB 496) Effective January 1, 2020.)

128. Sale of Equipment, Supplies, or Services for use in Violation of Licensing Requirements

Notwithstanding any other provision of law, it is a misdemeanor to sell equipment, supplies, or services to any person with knowledge that the equipment, supplies, or services are to be used in the performance of a service or contract in violation of the licensing requirements of this code.

The provisions of this section shall not be applicable to cash sales of less than one hundred dollars (\$100).

For the purposes of this section, "person" includes, but is not limited to, a company, partnership, limited liability company, firm, or corporation.

For the purposes of this section, "license" includes certificate or registration.

A violation of this section shall be punishable by a fine of not less than one thousand dollars (\$1,000) and by imprisonment in the county jail not exceeding six months.

(Amended by Stats. 1994, Ch. 1010, Sec. 1. Effective January 1, 1995.)

128.5. Reduction of License Fees in Event of Surplus Funds

(a) Notwithstanding any other provision of law, if at the end of any fiscal year, an agency within the Department of Consumer Affairs, except the agencies referred to in subdivision (b), has unencumbered funds in an amount that equals or is more than the agency's operating budget for the next two fiscal years, the agency shall reduce license or other fees, whether the license or other fees be fixed by statute or may be determined by the agency within limits fixed by statute, during the following fiscal year in an amount that will reduce any surplus funds of the agency to an amount less than the agency's operating budget for the next two fiscal years.

(b) Notwithstanding any other provision of law, if at the end of any fiscal year, the California Architects Board, the Board of Behavioral Sciences, the Veterinary Medical Board, the Court Reporters Board of California, the Medical Board of California, the Board of Vocational Nursing and Psychiatric Technicians, or the Bureau of Security and Investigative Services has unencumbered funds in an amount that equals or is more than the agency's operating budget for the next two fiscal years, the agency shall reduce license or other fees, whether the license or other fees be fixed by statute or may be determined by the agency within limits fixed by statute, during the following fiscal year in an amount that will reduce any surplus funds of the agency to an amount less than the agency's operating budget for the next two fiscal years.

(Amended by Stats. 2009, Ch. 308, Sec. 3. (SB 819) Effective January 1, 2010.)

129. Handling of Complaints; Reports to Legislature

(a) As used in this section, "board" means every board, bureau, commission, committee, and similarly constituted agency in the department that issues licenses.

(b) Each board shall, upon receipt of any complaint respecting an individual licensed by the board, notify the complainant of the initial administrative action taken on the complainant's complaint within 10 days of receipt. Each board shall notify the complainant of the final action taken on the complainant's complaint. There shall be a notification made in every case in which the complainant is known. If the complaint is not within the jurisdiction of the board or if the board is unable to dispose satisfactorily of the complaint, the board shall transmit the complaint together with any evidence or information it has concerning the complaint to the agency, public or private, whose authority in the opinion of the board will provide the most effective means to secure the relief sought. The board shall notify the complainant of this action and of any other means that may be available to the complainant to secure relief.

(c) The board shall, when the board deems it appropriate, notify the person against whom the complaint is made of the nature of the complaint, may request appropriate relief for the complainant, and may meet and confer with the complainant and the licensee in order to mediate the complaint. Nothing in this subdivision shall be construed as authorizing or requiring any board to set or to modify any fee charged by a licensee.

(d) It shall be the continuing duty of the board to ascertain patterns of complaints and to report on all actions taken with respect to those patterns of complaints to the director and to the Legislature at least once per year. The board shall evaluate those complaints dismissed for lack of jurisdiction or no violation and recommend to the director and to the Legislature at least once per year the statutory changes it deems necessary to implement the board's functions and responsibilities under this section.

(e) It shall be the continuing duty of the board to take whatever action it deems necessary, with the approval of the director, to inform the public of its functions under this section.

(f) Notwithstanding any other law, upon receipt of a child custody evaluation report submitted to a court pursuant to Chapter 6 (commencing with Section 3110) of Part 2 of Division 8 of the Family Code, the board shall notify the noncomplaining party in the underlying custody dispute, who is a subject of that report, of the pending investigation.

(Amended by Stats. 2019, Ch. 351, Sec. 31. (AB 496) Effective January 1, 2020.)

(Amended by Stats. 1987, Ch. 850, Sec. 5.)

132. Requirements for Institution or Joinder of Legal Action by State Agency Against Other State or Federal Agency

No board, commission, examining committee, or any other agency within the department may institute or join any legal action against any other agency within the state or federal government without the permission of the director.

Prior to instituting or joining in a legal action against an agency of the state or federal government, a board, commission, examining committee, or any other agency within the department shall present a written request to the director to do so.

successfully completed all parts of the examination within a required period of time established by the examining agency. Nothing in this section, however, requires the exemption of such applicant from the regular fees and requirements normally associated with examinations.

(Added by Stats. 1974, Ch. 743.)

135.4. Refugees, Asylees, and Special Immigrant Visa Holders; Professional Licensing; Initial Licensure Process

Such a person shall incur no liability pursuant to this section for communicating in any advertising, soliciting, or other presentment to the public a licensee's license number exactly as provided by the licensee or for failure to communicate such number if none is provided by the licensee.

A board shall be exempt from the requirement to adopt regulations pursuant to this section if the board has in place, in statute or regulation, a requirement that provides for consumer notice of a practitioner's status as a licensee of this state.

(Amended by Stats. 2019, Ch. 351, Sec. 36. (AB 496) Effective January 1, 2020.)

This policy shall be submitted in draft form at least 30 days prior to that date to the appropriate fiscal, policy, and sunset review committees of the Legislature for review. This policy shall address, but shall not be limited to, the following issues:

140. Disciplinary Action; Licensee's Failure to Record Cash Transaction in Payment of Employee Wages

Any board, as defined in Section 22, which is authorized under this code to take disciplinary action against a person who holds a license may take disciplinary action upon the ground that the licensee has failed to record and preserve for not less than three years, any and all cash transactions involved in the payment of employee wages by a licensee. Failure to make these records available to an authorized representative of the board may be made grounds for disciplinary action. In any action brought and sustained by the board which involves a violation of this section and any regulation adopted thereto, the board may assess the licensee with the actual investigative costs incurred, not to exceed two thousand five hundred dollars (\$2,500). Failure to pay those costs may result in revocation of the license. Any moneys collected pursuant to this section shall be deposited in the respective fund of the board.

(Added by Stats. 1984, Ch. 1490, Sec. 2. Effective September 27, 1984.)

141. Disciplinary Action by Foreign Jurisdiction; Grounds for Disciplinary Action by State Licensing Board

(a) For any licensee holding a license issued by a board under the jurisdiction of the department, a disciplinary action taken by another state, by any agency of the federal government, or by another country for any act substantially related to the practice regulated by the California license, may be a ground for disciplinary action by the respective state licensing board. A certified copy of the record of the disciplinary action taken against the licensee by another state, an agency of the federal government, or another country shall be conclusive evidence of the events related therein.

(b) Nothing in this section shall preclude a board from applying a specific statutory provision in the licensing act administered by that board that provides for discipline

based upon a disciplinary action taken against the licensee by another state, an agency of the federal government, or another country.

(Added by Stats. 1994, Ch. 1275, Sec. 2. Effective January 1, 1995.)

(a) No person engaged in any business or profession for which a license is required under this code governing the department or any board, bureau, commission, committee, or program within the department, may bring or maintain any action, or recover in law or equity in any action, in any court of this state for the collection of compensation for the performance of any act or contract for which a license is required without alleging and proving that he or she was duly licensed at all times during the performance of that act or contract, regardless of the merits of the cause of action brought by the person.

(b) The judicial doctrine of substantial compliance shall not apply to this section.

A provision of that nature is void as against public policy, and any licensee who includes or permits to be included a provision of that nature in a settlement agreement is subject to disciplinary action by the board, bureau, or program.

(c) As used in this section, "board" shall have the same meaning as defined in Section 22, and "licensee" means a person who has been granted a license, as that term is defined in Section 23.7.

(d) Notwithstanding any other law, upon granting a petition filed by a licensee or authorized agent of a licensee pursuant to Section 11340.6 of the Government Code, a

board, bureau, or program within the Department of Consumer Affairs may, based upon evidence and legal authorities cited in the petition, adopt a regulation that does both of the following:

(1) Identifies a code section or jury instruction in a civil cause of action that has no relevance to the board's, bureau's, or program's enforcement responsibilities such that an agreement to settle such a cause of action based on that code section or jury instruction otherwise prohibited under subdivision (a) will not impair the board's, bureau's, or program's duty to protect the public.

(2) Exempts agreements to settle such a cause of action from the requirements of subdivision (a).

(e) This section shall not apply to a licensee subject to Section 2220.7.

This provision shall supersede any other law relating to the purging or destruction of records pertaining to those treatment and rehabilitation programs.

**BUSINESS AND PROFESSIONS CODE
CHAPTER 2. DENIAL OF LICENSE**

480. Grounds for Denial by Board; Effect of Obtaining Certificate of Rehabilitation

(a) Notwithstanding any other provision of this code, a board may deny a license regulated by this code on the grounds that the applicant has been convicted of a crime or has been subject to formal discipline only if either of the following conditions are met:

(1) The applicant has been convicted of a crime within the preceding seven years from the date of application that is substantially related to the qualifications, functions, or duties of the business or profession for which the application is made, regardless of whether the applicant was incarcerated for that crime, or the applicant has been convicted of a crime that is substantially related to the qualifications, functions, or duties of the business or profession for which the application is made and for which the applicant is presently incarcerated or for which the applicant was released from incarceration within the preceding seven years from the date of application. However, the preceding seven-year limitation shall not apply in either of the following situations:

(A) The applicant was convicted of a serious felony, as defined in Section 1192.7 of the Penal Code or a crime for which registration is required pursuant to paragraph (2) or (3) of subdivision (d) of Section 290 of the Penal Code.

(B) The applicant was convicted of a financial crime currently classified as a felony that is directly and adversely related to the fiduciary qualifications, functions, or duties of the business or profession for which the application is made, pursuant to regulations adopted by the board, and for which the applicant is seeking licensure under any of the following:

(i) Chapter 6 (commencing with Section 6500) of Division 3.

(ii) Chapter 9 (commencing with Section 7000) of Division 3.

(iii) Chapter 11.3 (commencing with Section 7512) of Division 3.

(iv) Licensure as a funeral director or cemetery manager under Chapter 12 (commencing with Section 7600) of Division 3.

(v) Division 4 (commencing with Section 10000).

(2) The applicant has been subjected to formal discipline by a licensing board in or outside California within the preceding seven years from the date of application based on professional misconduct that would have been cause for discipline before the board for which the present application is made and that is substantially related to the qualifications, functions, or duties of the business or profession for which the present application is made. However, prior disciplinary action by a licensing board within the preceding seven years shall not be the basis for denial of a license if the basis for that disciplinary action was a conviction that has been dismissed pursuant to Section 1203.4, 1203.4a, 1203.41, 1203.42, or 1203.425 of the Penal Code or a comparable dismissal or expungement. Formal discipline that occurred earlier than seven years preceding the date of application may be grounds for denial of a license only if the formal discipline was for conduct that, if committed in this state by a physician and surgeon licensed pursuant to Chapter 5 (commencing with Section 2000) of Division 2, would have constituted an act of sexual abuse, misconduct, or relations with a patient pursuant to Section 726 or sexual exploitation as defined in subdivision (a) of Section 729.

(b) Notwithstanding any other provision of this code, a person shall not be denied a license on the basis that the person has been convicted of a crime, or on the basis of acts underlying a conviction for a crime, if that person has obtained a certificate of rehabilitation under Chapter 3.5 (commencing with Section 4852.01) of Title 6 of Part 3 of the Penal Code, has been granted clemency or a pardon by a state or federal executive, or has made a showing of rehabilitation pursuant to Section 482.

(c) Notwithstanding any other provision of this code, a person shall not be denied a license on the basis of any conviction, or on the basis of the acts underlying the conviction, that has been dismissed pursuant to Section 1203.4, 1203.4a, 1203.41, 1203.42, or 1203.425 of the Penal Code, or a comparable dismissal or expungement. An applicant who has a conviction that has been dismissed pursuant to Section 1203.4, 1203.4a, 1203.41, or 1203.42 of the Penal Code shall provide proof of the dismissal if it is not reflected on the report furnished by the Department of Justice.

(d) Notwithstanding any other provision of this code, a board shall not deny a license on the basis of an arrest that resulted in a disposition other than a conviction, including an arrest that resulted in an infraction, citation, or a juvenile adjudication.

(e) A board may deny a license regulated by this code on the ground that the applicant knowingly made a false statement of fact that is required to be revealed in the application for the license. A board shall not deny a license based solely on an applicant's failure to disclose a fact that would not have been cause for denial of the license had it been disclosed.

(f) A board shall follow the following procedures in requesting or acting on an applicant's criminal history information:

(1) A board issuing a license pursuant to Chapter 3 (commencing with Section 5500), Chapter 3.5 (commencing with Section 5615), Chapter 10 (commencing with Section 7301), Chapter 20 (commencing with Section 9800), or Chapter 20.3 (commencing with Section 9880), of Division 3, or Chapter 3 (commencing with Section 19000) or Chapter 3.1 (commencing with Section 19225) of Division 8 may require applicants for licensure under those chapters to disclose criminal conviction history on an application for licensure.

(2) Except as provided in paragraph (1), a board shall not require an applicant for licensure to disclose any information or documentation regarding the applicant's criminal history. However, a board may request mitigating information from an applicant regarding the applicant's criminal history for purposes of determining substantial relation or demonstrating evidence of rehabilitation, provided that the applicant is informed that disclosure is voluntary and that the applicant's decision not to disclose any information shall not be a factor in a board's decision to grant or deny an application for licensure.

(3) If a board decides to deny an application for licensure based solely or in part on the applicant's conviction history, the board shall notify the applicant in writing of all of the following:

(A) The denial or disqualification of licensure.

(B) Any existing procedure the board has for the applicant to challenge the decision or to request reconsideration.

(C) That the applicant has the right to appeal the board's decision.

(D) The processes for the applicant to request a copy of the applicant's complete conviction history and question the accuracy or completeness of the record pursuant to Sections 11122 to 11127 of the Penal Code.

(g) (1) For a minimum of three years, each board under this code shall retain application forms and other documents submitted by an applicant, any notice provided to an applicant, all other communications received from and provided to an applicant, and criminal history reports of an applicant.

(2) Each board under this code shall retain the number of applications received for each license and the number of applications requiring inquiries regarding criminal history. In addition, each licensing authority shall retain all of the following information:

(D) The final disposition and demographic information, consisting of voluntarily provided information on race or gender, of any applicant described in subparagraph (A), (B), or (C).

(3) (A) Each board under this code shall annually make available to the public through the board's internet website and through a report submitted to the appropriate policy committees of the Legislature deidentified information collected pursuant to this subdivision. Each board shall ensure confidentiality of the individual applicants.

(B) A report pursuant to subparagraph (A) shall be submitted in compliance with Section 9795 of the Government Code.

(h) "Conviction" as used in this section shall have the same meaning as defined in Section 7.5.

(i) This section does not in any way modify or otherwise affect the existing authority of the following entities in regard to licensure:

(1) The State Athletic Commission.

(2) The Bureau for Private Postsecondary Education.

(3) The California Horse Racing Board.

(Amended by Stats. 2022, Ch. 453, Sec. 1. (AB 1636) Effective January 1, 2023.)

480.5. Completion of Licensure Requirements While Incarcerated

(a) An individual who has satisfied any of the requirements needed to obtain a license regulated under this division while incarcerated, who applies for that license upon release from incarceration, and who is otherwise eligible for the license shall not be subject to a delay in processing his or her application or a denial of the license solely on the basis that some or all of the licensure requirements were completed while the individual was incarcerated.

(b) Nothing in this section shall be construed to apply to a petition for reinstatement of a license or to limit the ability of a board to deny a license pursuant to Section 480.

(c) This section shall not apply to the licensure of individuals under the initiative act referred to in Chapter 2 (commencing with Section 1000) of Division 2.

(Added by Stats. 2014, Ch. 410, Sec. 1. (AB 1702) Effective January 1, 2015.)

481. Crime and Job-Fitness Criteria

- (1) The nature and gravity of the offense.

 - (3) The nature and duties of the profession in which the applicant seeks licensure or in which the licensee is licensed.

- (d) Each board shall post on its Internet Web site a summary of the criteria used to consider whether a crime is considered to be substantially related to the qualifications, functions, or duties of the business or profession it regulates consistent with this section.
- (e) This section does not in any way modify or otherwise affect the existing authority of the following entities in regard to licensure:
- (1) The State Athletic Commission.

- (1) The applicant or licensee has completed the criminal sentence at issue without a violation of parole or probation.
 - (2) The board, applying its criteria for rehabilitation, finds that the applicant is rehabilitated.
- (c) This section does not in any way modify or otherwise affect the existing authority of the following entities in regard to licensure:

- (3) The California Horse Racing Board.
- (d) This section shall become operative on July 1, 2020.

(Repealed and added by Stats. 2018, Ch. 995, Sec. 9. (AB 2138) Effective January 1, 2019. Section operative July 1, 2020, by its own provisions.)

484. Attestations of Good Moral Character of Applicant

No person applying for licensure under this code shall be required to submit to any licensing board any attestation by other persons to his good moral character.

(Amended by Stats. 1974, Ch. 1321.)

485. Procedure for Board Upon Denial

Upon denial of an application for a license under this chapter or Section 496, the board shall do either of the following:

- (a) File and serve a statement of issues in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code.
- (b) Notify the applicant that the application is denied, stating (1) the reason for the denial, and (2) that the applicant has the right to a hearing under Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code if written request for hearing is made within 60 days after service of the notice of denial. Unless written request for hearing is made within the 60-day period, the applicant's right to a hearing is deemed waived. Service of the notice of denial may be made in the manner authorized for service of summons in civil actions, or by registered mail addressed to the applicant at the latest address filed by the applicant in writing with the board in his or her application or otherwise. Service by mail is complete on the date of mailing.

(Amended by Stats. 1997, Ch. 758, Sec. 2.3. Effective January 1, 1998.)

486. Contents of Decision or Notice

Where the board has denied an application for a license under this chapter or Section 496, it shall, in its decision, or in its notice under subdivision (b) of Section 485, inform the applicant of the following:

- (a) The earliest date on which the applicant may reapply for a license which shall be one year from the effective date of the decision, or service of the notice under subdivision (b) of Section 485, unless the board prescribes an earlier date or a later date is prescribed by another statute.
- (b) That all competent evidence of rehabilitation presented will be considered upon a reapplication.

Along with the decision, or the notice under subdivision (b) of Section 485, the board shall serve a copy of the criteria relating to rehabilitation formulated under Section 482.

(Amended by Stats. 1997, Ch. 758, Sec. 2.4. Effective January 1, 1998.)

487. Hearing; Time

If a hearing is requested by the applicant, the board shall conduct such hearing within 90 days from the date the hearing is requested unless the applicant shall request or agree in writing to a postponement or continuance of the hearing. Notwithstanding the above, the Office of Administrative Hearings may order, or on a showing of good cause, grant a request for, up to 45 additional days within which to conduct a hearing, except in cases involving alleged examination or licensing fraud, in which cases the period may be up to 180 days. In no case shall more than two such orders be made or requests be granted.

(Amended by Stats. 1986, Ch. 220, Sec. 1. Effective June 30, 1986.)

488. Hearing Request

(a) Except as otherwise provided by law, following a hearing requested by an applicant pursuant to subdivision (b) of Section 485, the board may take any of the following actions:

- (1) Grant the license effective upon completion of all licensing requirements by the applicant.
- (2) Grant the license effective upon completion of all licensing requirements by the applicant, immediately revoke the license, stay the revocation, and impose probationary conditions on the license, which may include suspension.
- (3) Deny the license.
- (4) Take other action in relation to denying or granting the license as the board in its discretion may deem proper.

(b) This section does not in any way modify or otherwise affect the existing authority of the following entities in regard to licensure:

- (1) The State Athletic Commission.
 - (2) The Bureau for Private Postsecondary Education.
 - (3) The California Horse Racing Board.
- (c) This section shall become operative on July 1, 2020.

(Repealed and added by Stats. 2018, Ch. 995, Sec. 11. (AB 2138) Effective January 1, 2019. Section operative July 1, 2020, by its own provisions.)

489. Denial of Application Without a Hearing

Any agency in the department which is authorized by law to deny an application for a license upon the grounds specified in Section 480 or 496, may without a hearing deny an application upon any of those grounds, if within one year previously, and after proceedings conducted in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code, that agency has denied an application from the same applicant upon the same ground.

(Amended by Stats. 1997, Ch. 758, Sec. 2.5. Effective January 1, 1998.)

BUSINESS AND PROFESSIONS CODE
CHAPTER 3. SUSPENSION AND REVOCATION OF LICENSES

490. Grounds for Suspension or Revocation; Discipline for Substantially Related Crimes; Conviction; Legislative Findings

(a) In addition to any other action that a board is permitted to take against a licensee, a board may suspend or revoke a license on the ground that the licensee has been convicted of a crime, if the crime is substantially related to the qualifications, functions, or duties of the business or profession for which the license was issued.

(b) Notwithstanding any other provision of law, a board may exercise any authority to discipline a licensee for conviction of a crime that is independent of the authority granted under subdivision (a) only if the crime is substantially related to the qualifications, functions, or duties of the business or profession for which the licensee's license was issued.

(c) A conviction within the meaning of this section means a plea or verdict of guilty or a conviction following a plea of nolo contendere. An action that a board is permitted to take following the establishment of a conviction may be taken when the time for appeal has elapsed, or the judgment of conviction has been affirmed on appeal, or when an order granting probation is made suspending the imposition of sentence, irrespective of a subsequent order under Section 1203.4 of the Penal Code.

(d) The Legislature hereby finds and declares that the application of this section has been made unclear by the holding in *Petropoulos v. Department of Real Estate* (2006) 142 Cal.App.4th 554, and that the holding in that case has placed a significant number of statutes and regulations in question, resulting in potential harm to the consumers of California from licensees who have been convicted of crimes. Therefore, the Legislature finds and declares that this section establishes an independent basis for a board to impose discipline upon a licensee, and that the amendments to this section made by Chapter 33 of the Statutes of 2008 do not constitute a change to, but rather are declaratory of, existing law.

(Amended by Stats. 2010, Ch. 328, Sec. 2. (SB 1330) Effective January 1, 2011.)

490.5. Suspension of License for Failure to Comply with Child Support Order

A board may suspend a license pursuant to Section 17520 of the Family Code if a licensee is not in compliance with a child support order or judgment.

(Amended by Stats. 2010, Ch. 328, Sec. 3. (SB 1330) Effective January 1, 2011.)

491. Procedure Upon Suspension or Revocation

Upon suspension or revocation of a license by a board on one or more of the grounds specified in Section 490, the board shall:

(a) Send a copy of the provisions of Section 11522 of the Government Code to the ex-licensee.

(b) Send a copy of the criteria relating to rehabilitation formulated under Section 482 to the ex-licensee.

(Amended by Stats. 1975, Ch. 678.)

493. Conviction of a Crime – Conclusive Evidence

(a) Notwithstanding any other law, in a proceeding conducted by a board within the department pursuant to law to deny an application for a license or to suspend or revoke a license or otherwise take disciplinary action against a person who holds a license, upon the ground that the applicant or the licensee has been convicted of a crime substantially related to the qualifications, functions, and duties of the licensee in question, the record of conviction of the crime shall be conclusive evidence of the fact that the conviction occurred, but only of that fact.

(b) (1) Criteria for determining whether a crime is substantially related to the qualifications, functions, or duties of the business or profession the board regulates shall include all of the following:

(A) The nature and gravity of the offense.

(B) The number of years elapsed since the date of the offense.

(C) The nature and duties of the profession.

(2) A board shall not categorically bar an applicant based solely on the type of conviction without considering evidence of rehabilitation.

(c) As used in this section, “license” includes “certificate,” “permit,” “authority,” and “registration.”

(d) This section does not in any way modify or otherwise affect the existing authority of the following entities in regard to licensure:

(1) The State Athletic Commission.

(2) The Bureau for Private Postsecondary Education.

(3) The California Horse Racing Board.

(e) This section shall become operative on July 1, 2020.

(Repealed and added by Stats. 2018, Ch. 995, Sec. 13. (AB 2138) Effective January 1, 2019. Section operative July 1, 2020, by its own provisions.)

494. Interim Suspension of Restriction Order

(a) A board or an administrative law judge sitting alone, as provided in subdivision (h), may, upon petition, issue an interim order suspending any licentiate or imposing license restrictions, including, but not limited to, mandatory biological fluid testing, supervision, or remedial training. The petition shall include affidavits that demonstrate, to the satisfaction of the board, both of the following:

(1) The licentiate has engaged in acts or omissions constituting a violation of this code or has been convicted of a crime substantially related to the licensed activity.

(2) Permitting the licentiate to continue to engage in the licensed activity, or permitting the licentiate to continue in the licensed activity without restrictions, would endanger the public health, safety, or welfare.

(b) No interim order provided for in this section shall be issued without notice to the licentiate unless it appears from the petition and supporting documents that serious injury would result to the public before the matter could be heard on notice.

(c) Except as provided in subdivision (b), the licentiate shall be given at least 15 days' notice of the hearing on the petition for an interim order. The notice shall include

documents submitted to the board in support of the petition. If the order was initially issued without notice as provided in subdivision (b), the licentiate shall be entitled to a hearing on the petition within 20 days of the issuance of the interim order without notice. The licentiate shall be given notice of the hearing within two days after issuance of the initial interim order, and shall receive all documents in support of the petition. The failure of the board to provide a hearing within 20 days following the issuance of the interim order without notice, unless the licentiate waives his or her right to the hearing, shall result in the dissolution of the interim order by operation of law.

(d) At the hearing on the petition for an interim order, the licentiate may:

(1) Be represented by counsel.

(2) Have a record made of the proceedings, copies of which shall be available to the licentiate upon payment of costs computed in accordance with the provisions for transcript costs for judicial review contained in Section 11523 of the Government Code.

(3) Present affidavits and other documentary evidence.

(4) Present oral argument.

(e) The board, or an administrative law judge sitting alone as provided in subdivision (h), shall issue a decision on the petition for interim order within five business days following submission of the matter. The standard of proof required to obtain an interim order pursuant to this section shall be a preponderance of the evidence standard. If the interim order was previously issued without notice, the board shall determine whether the order shall remain in effect, be dissolved, or modified.

(f) The board shall file an accusation within 15 days of the issuance of an interim order. In the case of an interim order issued without notice, the time shall run from the date of the order issued after the noticed hearing. If the licentiate files a Notice of Defense, the hearing shall be held within 30 days of the agency's receipt of the Notice of Defense. A decision shall be rendered on the accusation no later than 30 days after submission of the matter. Failure to comply with any of the requirements in this subdivision shall dissolve the interim order by operation of law.

(g) Interim orders shall be subject to judicial review pursuant to Section 1094.5 of the Code of Civil Procedure and shall be heard only in the superior court in and for the Counties of Sacramento, San Francisco, Los Angeles, or San Diego. The review of an interim order shall be limited to a determination of whether the board abused its discretion in the issuance of the interim order. Abuse of discretion is established if the respondent board has not proceeded in the manner required by law, or if the court determines that the interim order is not supported by substantial evidence in light of the whole record.

(h) The board may, in its sole discretion, delegate the hearing on any petition for an interim order to an administrative law judge in the Office of Administrative Hearings. If the board hears the noticed petition itself, an administrative law judge shall preside at the hearing, rule on the admission and exclusion of evidence, and advise the board on matters of law. The board shall exercise all other powers relating to the conduct of the hearing but may delegate any or all of them to the administrative law judge. When the petition has been delegated to an administrative law judge, he or she shall sit alone and exercise all of the powers of the board relating to the conduct of the hearing. A decision issued by an administrative law judge sitting alone shall be final when it is filed with the board. If the administrative law judge issues an interim order without notice, he or she

shall preside at the noticed hearing, unless unavailable, in which case another administrative law judge may hear the matter. The decision of the administrative law judge sitting alone on the petition for an interim order is final, subject only to judicial review in accordance with subdivision (g).

(i) Failure to comply with an interim order issued pursuant to subdivision (a) or (b) shall constitute a separate cause for disciplinary action against any licentiate, and may be heard at, and as a part of, the noticed hearing provided for in subdivision (f). Allegations of noncompliance with the interim order may be filed at any time prior to the rendering of a decision on the accusation. Violation of the interim order is established upon proof that the licentiate was on notice of the interim order and its terms, and that the order was in effect at the time of the violation. The finding of a violation of an interim order made at the hearing on the accusation shall be reviewed as a part of any review of a final decision of the agency.

If the interim order issued by the agency provides for anything less than a complete suspension of the licentiate from his or her business or profession, and the licentiate violates the interim order prior to the hearing on the accusation provided for in subdivision (f), the agency may, upon notice to the licentiate and proof of violation, modify or expand the interim order.

(j) A plea or verdict of guilty or a conviction after a plea of nolo contendere is deemed to be a conviction within the meaning of this section. A certified record of the conviction shall be conclusive evidence of the fact that the conviction occurred. A board may take action under this section notwithstanding the fact that an appeal of the conviction may be taken.

(k) The interim orders provided for by this section shall be in addition to, and not a limitation on, the authority to seek injunctive relief provided in any other provision of law.

(l) In the case of a board, a petition for an interim order may be filed by the executive officer. In the case of a bureau or program, a petition may be filed by the chief or program administrator, as the case may be.

(m) "Board," as used in this section, shall include any agency described in Section 22, and any allied health agency within the jurisdiction of the Medical Board of California. Board shall also include the Osteopathic Medical Board of California and the State Board of Chiropractic Examiners. The provisions of this section shall not be applicable to the Medical Board of California, the Board of Podiatric Medicine, or the State Athletic Commission.

(Amended by Stats. 1994, Ch. 1275, Sec. 4. Effective January 1, 1995.)

494.5. Agency Actions when Licensee is on Certified List; Definitions; Collection and Distribution of Certified List Information; Timing; Notices; Challenges by Applicants and Licensees; Release Forms; Interagency Agreements; Fees; Remedies; Inquiries and Disclosures of Information; Severability

(a) (1) Except as provided in paragraphs (2), (3), and (4), a state governmental licensing entity shall refuse to issue, reactivate, reinstate, or renew a license and shall suspend a license if a licensee's name is included on a certified list.

(2) The Department of Motor Vehicles shall suspend a license if a licensee's name is included on a certified list. Any reference in this section to the issuance, reactivation,

reinstatement, renewal, or denial of a license shall not apply to the Department of Motor Vehicles.

(3) The State Bar of California may recommend to refuse to issue, reactivate, reinstate, or renew a license and may recommend to suspend a license if a licensee's name is included on a certified list. The word "may" shall be substituted for the word "shall" relating to the issuance of a temporary license, refusal to issue, reactivate, reinstate, renew, or suspend a license in this section for licenses under the jurisdiction of the California Supreme Court.

(4) The Department of Alcoholic Beverage Control may refuse to issue, reactivate, reinstate, or renew a license, and may suspend a license, if a licensee's name is included on a certified list.

(b) For purposes of this section:

(1) "Certified list" means either the list provided by the State Board of Equalization or the list provided by the Franchise Tax Board of persons whose names appear on the lists of the 500 largest tax delinquencies pursuant to Section 7063 or 19195 of the Revenue and Taxation Code, as applicable.

(2) "License" includes a certificate, registration, or any other authorization to engage in a profession or occupation issued by a state governmental licensing entity. "License" includes a driver's license issued pursuant to Chapter 1 (commencing with Section 12500) of Division 6 of the Vehicle Code. "License" excludes a vehicle registration issued pursuant to Division 3 (commencing with Section 4000) of the Vehicle Code.

(3) "Licensee" means an individual authorized by a license to drive a motor vehicle or authorized by a license, certificate, registration, or other authorization to engage in a profession or occupation issued by a state governmental licensing entity.

(4) "State governmental licensing entity" means any entity listed in Section 101, 1000, or 19420, the office of the Attorney General, the Department of Insurance, the Department of Motor Vehicles, the State Bar of California, the Department of Real Estate, and any other state agency, board, or commission that issues a license, certificate, or registration authorizing an individual to engage in a profession or occupation, including any certificate, business or occupational license, or permit or license issued by the Department of Motor Vehicles or the Department of the California Highway Patrol. "State governmental licensing entity" shall not include the Contractors State License Board.

(c) The State Board of Equalization and the Franchise Tax Board shall each submit its respective certified list to every state governmental licensing entity. The certified lists shall include the name, social security number or taxpayer identification number, and the last known address of the persons identified on the certified lists.

(d) Notwithstanding any other law, each state governmental licensing entity shall collect the social security number or the federal taxpayer identification number from all applicants for the purposes of matching the names of the certified lists provided by the State Board of Equalization and the Franchise Tax Board to applicants and licensees.

(e) (1) Each state governmental licensing entity shall determine whether an applicant or licensee is on the most recent certified list provided by the State Board of Equalization and the Franchise Tax Board.

(2) If an applicant or licensee is on either of the certified lists, the state governmental licensing entity shall immediately provide a preliminary notice to the applicant or

licensee of the entity's intent to suspend or withhold issuance or renewal of the license. The preliminary notice shall be delivered personally or by mail to the applicant's or licensee's last known mailing address on file with the state governmental licensing entity within 30 days of receipt of the certified list. Service by mail shall be completed in accordance with Section 1013 of the Code of Civil Procedure.

(A) The state governmental licensing entity shall issue a temporary license valid for a period of 90 days to any applicant whose name is on a certified list if the applicant is otherwise eligible for a license.

(B) The 90-day time period for a temporary license shall not be extended. Only one temporary license shall be issued during a regular license term and the term of the temporary license shall coincide with the first 90 days of the regular license term. A license for the full term or the remainder of the license term may be issued or renewed only upon compliance with this section.

(C) In the event that a license is suspended or an application for a license or the renewal of a license is denied pursuant to this section, any funds paid by the applicant or licensee shall not be refunded by the state governmental licensing entity.

(f) (1) A state governmental licensing entity shall refuse to issue or shall suspend a license pursuant to this section no sooner than 90 days and no later than 120 days of the mailing of the preliminary notice described in paragraph (2) of subdivision (e), unless the state governmental licensing entity has received a release pursuant to subdivision (h). The procedures in the administrative adjudication provisions of the Administrative Procedure Act (Chapter 4.5 (commencing with Section 11400) and Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code) shall not apply to the denial or suspension of, or refusal to renew, a license or the issuance of a temporary license pursuant to this section.

(2) Notwithstanding any other law, if a board, bureau, or commission listed in Section 101, other than the Contractors State License Board, fails to take action in accordance with this section, the Department of Consumer Affairs shall issue a temporary license or suspend or refuse to issue, reactivate, reinstate, or renew a license, as appropriate.

(g) Notices shall be developed by each state governmental licensing entity. For an applicant or licensee on the State Board of Equalization's certified list, the notice shall include the address and telephone number of the State Board of Equalization, and shall emphasize the necessity of obtaining a release from the State Board of Equalization as a condition for the issuance, renewal, or continued valid status of a license or licenses. For an applicant or licensee on the Franchise Tax Board's certified list, the notice shall include the address and telephone number of the Franchise Tax Board, and shall emphasize the necessity of obtaining a release from the Franchise Tax Board as a condition for the issuance, renewal, or continued valid status of a license or licenses.

(1) The notice shall inform the applicant that the state governmental licensing entity shall issue a temporary license, as provided in subparagraph (A) of paragraph (2) of subdivision (e), for 90 calendar days if the applicant is otherwise eligible and that upon expiration of that time period, the license will be denied unless the state governmental licensing entity has received a release from the State Board of Equalization or the Franchise Tax Board, whichever is applicable.

- (2) The notice shall inform the licensee that any license suspended under this section will remain suspended until the state governmental licensing entity receives a release along with applications and fees, if applicable, to reinstate the license.
- (3) The notice shall also inform the applicant or licensee that if an application is denied or a license is suspended pursuant to this section, any moneys paid by the applicant or licensee shall not be refunded by the state governmental licensing entity. The state governmental licensing entity shall also develop a form that the applicant or licensee shall use to request a release by the State Board of Equalization or the Franchise Tax Board. A copy of this form shall be included with every notice sent pursuant to this subdivision.
- (h) If the applicant or licensee wishes to challenge the submission of their name on a certified list, the applicant or licensee shall make a timely written request for release to the State Board of Equalization or the Franchise Tax Board, whichever is applicable. The State Board of Equalization or the Franchise Tax Board shall immediately send a release to the appropriate state governmental licensing entity and the applicant or licensee, if any of the following conditions are met:
- (1) The applicant or licensee has complied with the tax obligation, either by payment of the unpaid taxes or entry into an installment payment agreement, as described in Section 6832 or 19008 of the Revenue and Taxation Code, to satisfy the unpaid taxes.
- (2) The applicant or licensee has submitted a request for release not later than 45 days after the applicant's or licensee's receipt of a preliminary notice described in paragraph (2) of subdivision (e), but the State Board of Equalization or the Franchise Tax Board, whichever is applicable, will be unable to complete the release review and send notice of its findings to the applicant or licensee and state governmental licensing entity within 45 days after the State Board of Equalization's or the Franchise Tax Board's receipt of the applicant's or licensee's request for release. Whenever a release is granted under this paragraph, and, notwithstanding that release, the applicable license or licenses have been suspended erroneously, the state governmental licensing entity shall reinstate the applicable licenses with retroactive effect back to the date of the erroneous suspension and that suspension shall not be reflected on any license record.
- (3) The applicant or licensee is unable to pay the outstanding tax obligation due to a current financial hardship. "Financial hardship" means financial hardship as determined by the State Board of Equalization or the Franchise Tax Board, whichever is applicable, where the applicant or licensee is unable to pay any part of the outstanding liability and the applicant or licensee is unable to qualify for an installment payment arrangement as provided for by Section 6832 or Section 19008 of the Revenue and Taxation Code. In order to establish the existence of a financial hardship, the applicant or licensee shall submit any information, including information related to reasonable business and personal expenses, requested by the State Board of Equalization or the Franchise Tax Board, whichever is applicable, for purposes of making that determination.
- (i) An applicant or licensee is required to act with diligence in responding to notices from the state governmental licensing entity and the State Board of Equalization or the Franchise Tax Board with the recognition that the temporary license will lapse or the license suspension will go into effect after 90 days and that the State Board of Equalization or the Franchise Tax Board must have time to act within that period. An applicant's or licensee's delay in acting, without good cause, which directly results in the

inability of the State Board of Equalization or the Franchise Tax Board, whichever is applicable, to complete a review of the applicant's or licensee's request for release shall not constitute the diligence required under this section which would justify the issuance of a release. An applicant or licensee shall have the burden of establishing that they diligently responded to notices from the state governmental licensing entity or the State Board of Equalization or the Franchise Tax Board and that any delay was not without good cause.

(j) The State Board of Equalization or the Franchise Tax Board shall create release forms for use pursuant to this section. When the applicant or licensee has complied with the tax obligation by payment of the unpaid taxes, or entry into an installment payment agreement, or establishing the existence of a current financial hardship as defined in paragraph (3) of subdivision (h), the State Board of Equalization or the Franchise Tax Board, whichever is applicable, shall mail a release form to the applicant or licensee and provide a release to the appropriate state governmental licensing entity. Any state governmental licensing entity that has received a release from the State Board of Equalization and the Franchise Tax Board pursuant to this subdivision shall process the release within five business days of its receipt. If the State Board of Equalization or the Franchise Tax Board determines subsequent to the issuance of a release that the licensee has not complied with their installment payment agreement, the State Board of Equalization or the Franchise Tax Board, whichever is applicable, shall notify the state governmental licensing entity and the licensee in a format prescribed by the State Board of Equalization or the Franchise Tax Board, whichever is applicable, that the licensee is not in compliance and the release shall be rescinded. The State Board of Equalization and the Franchise Tax Board may, when it is economically feasible for the state governmental licensing entity to develop an automated process for complying with this subdivision, notify the state governmental licensing entity in a manner prescribed by the State Board of Equalization or the Franchise Tax Board, whichever is applicable, that the licensee has not complied with the installment payment agreement. Upon receipt of this notice, the state governmental licensing entity shall immediately notify the licensee on a form prescribed by the state governmental licensing entity that the licensee's license will be suspended on a specific date, and this date shall be no longer than 30 days from the date the form is mailed. The licensee shall be further notified that the license will remain suspended until a new release is issued in accordance with this subdivision.

(k) The State Board of Equalization and the Franchise Tax Board may enter into interagency agreements with the state governmental licensing entities necessary to implement this section.

(l) Notwithstanding any other law, a state governmental licensing entity, with the approval of the appropriate department director or governing body, may impose a fee on a licensee whose license has been suspended pursuant to this section. The fee shall not exceed the amount necessary for the state governmental licensing entity to cover its costs in carrying out the provisions of this section. Fees imposed pursuant to this section shall be deposited in the fund in which other fees imposed by the state governmental licensing entity are deposited and shall be available to that entity upon appropriation in the annual Budget Act.

(m) The process described in subdivision (h) shall constitute the sole administrative remedy for contesting the issuance of a temporary license or the denial or suspension of a license under this section.

(n) Any state governmental licensing entity receiving an inquiry as to the licensed status of an applicant or licensee who has had a license denied or suspended under this section or who has been granted a temporary license under this section shall respond that the license was denied or suspended or the temporary license was issued only because the licensee appeared on a list of the 500 largest tax delinquencies pursuant to Section 7063 or 19195 of the Revenue and Taxation Code. Information collected pursuant to this section by any state agency, board, or department shall be subject to the Information Practices Act of 1977 (Chapter 1 (commencing with Section 1798) of Title 1.8 of Part 4 of Division 3 of the Civil Code). Any state governmental licensing entity that discloses on its internet website or other publication that the licensee has had a license denied or suspended under this section or has been granted a temporary license under this section shall prominently disclose, in bold and adjacent to the information regarding the status of the license, that the only reason the license was denied, suspended, or temporarily issued is because the licensee failed to pay taxes.

(o) Any rules and regulations issued pursuant to this section by any state agency, board, or department may be adopted as emergency regulations in accordance with the rulemaking provisions of the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code). The adoption of these regulations shall be deemed an emergency and necessary for the immediate preservation of the public peace, health, and safety, or general welfare. The regulations shall become effective immediately upon filing with the Secretary of State.

(p) The State Board of Equalization, the Franchise Tax Board, and state governmental licensing entities, as appropriate, shall adopt regulations as necessary to implement this section.

(q) (1) Neither the state governmental licensing entity, nor any officer, employee, or agent, or former officer, employee, or agent of a state governmental licensing entity, may disclose or use any information obtained from the State Board of Equalization or the Franchise Tax Board, pursuant to this section, except to inform the public of the denial, refusal to renew, or suspension of a license or the issuance of a temporary license pursuant to this section. The release or other use of information received by a state governmental licensing entity pursuant to this section, except as authorized by this section, is punishable as a misdemeanor. This subdivision may not be interpreted to prevent the State Bar of California from filing a request with the Supreme Court of California to suspend a member of the bar pursuant to this section.

(2) A suspension of, or refusal to renew, a license or issuance of a temporary license pursuant to this section does not constitute denial or discipline of a licensee for purposes of any reporting requirements to the National Practitioner Data Bank and shall not be reported to the National Practitioner Data Bank or the Healthcare Integrity and Protection Data Bank.

(3) Upon release from the certified list, the suspension or revocation of the applicant's or licensee's license shall be purged from the state governmental licensing entity's internet website or other publication within three business days. This paragraph shall not apply to the State Bar of California.

(r) If any provision of this section or the application thereof to any person or circumstance is held invalid, that invalidity shall not affect other provisions or applications of this section that can be given effect without the invalid provision or application, and to this end the provisions of this section are severable.

(s) All rights to review afforded by this section to an applicant shall also be afforded to a licensee.

(t) Unless otherwise provided in this section, the policies, practices, and procedures of a state governmental licensing entity with respect to license suspensions under this section shall be the same as those applicable with respect to suspensions pursuant to Section 17520 of the Family Code.

(u) No provision of this section shall be interpreted to allow a court to review and prevent the collection of taxes prior to the payment of those taxes in violation of the California Constitution.

(a) Any person who engages, has engaged, or proposes to engage in unfair competition shall be liable for a civil penalty not to exceed two thousand five hundred dollars (\$2,500) for each violation, which shall be assessed and recovered in a civil action brought in the name of the people of the State of California by the Attorney General, by any district attorney, by any county counsel authorized by agreement with the district attorney in actions involving violation of a county ordinance, by any city attorney of a city having a population in excess of 750,000, or by a county counsel of any county within which a city has a population in excess of 750,000, by any city attorney of any city and county, or, with the consent of the district attorney, by a city prosecutor in any city having a full-time city prosecutor, in any court of competent jurisdiction.

(b) The court shall impose a civil penalty for each violation of this chapter. In assessing the amount of the civil penalty, the court shall consider any one or more of the relevant circumstances presented by any of the parties to the case, including, but not limited to, the following: the nature and seriousness of the misconduct, the number of violations, the persistence of the misconduct, the length of time over which the misconduct

occurred, the willfulness of the defendant's misconduct, and the defendant's assets, liabilities, and net worth.

(c) (1) If the action is brought by the Attorney General, one-half of the penalty collected shall be paid to the treasurer of the county in which the judgment was entered, and one-half to the General Fund.

The portion of penalties that is payable to the General Fund or to the Treasurer recovered by the Attorney General from an action or settlement of a claim made by the Attorney General pursuant to this chapter or Chapter 1 (commencing with Section 17500) of Part 3 shall be deposited into this fund. If the board has no such special fund, the moneys shall be paid to the Treasurer. The amount of any reasonable expenses incurred by a local consumer affairs agency shall be paid to the general fund of the municipality or county that funds the local agency.

(f) If the action is brought by a city attorney of a city and county, the entire amount of the penalty collected shall be paid to the treasurer of the city and county in which the judgment was entered for the exclusive use by the city attorney for the enforcement of consumer protection laws. However, if the action is brought by a city attorney of a city and county for the purposes of civil enforcement pursuant to Section 17980 of the Health and Safety Code or Article 3 (commencing with Section 11570) of Chapter 10 of

Division 10 of the Health and Safety Code, either the penalty collected shall be paid entirely to the treasurer of the city and county in which the judgment was entered or, upon the request of the city attorney, the court may order that up to one-half of the penalty, under court supervision and approval, be paid for the purpose of restoring, maintaining, or enhancing the premises that were the subject of the action, and that the balance of the penalty be paid to the treasurer of the city and county.

17206.1. Additional Penalties for Violations Against Senior Citizens and the Disabled

(a) (1) In addition to any liability for a civil penalty pursuant to Section 17206, any person who violates this chapter, and the act or acts of unfair competition are perpetrated against one or more senior citizens or disabled persons, may be liable for a civil penalty not to exceed two thousand five hundred dollars (\$2,500) for each violation, which may be assessed and recovered in a civil action as prescribed in Section 17206.

(2) Subject to subdivision (d), any civil penalty shall be paid as prescribed by subdivisions (b) and (c) of Section 17206.

(b) As used in this section, the following terms have the following meanings:

(1) "Senior citizen" means a person who is 65 years of age or older.

(2) "Disabled person" means any person who has a physical or mental impairment that substantially limits one or more major life activities.

(A) As used in this subdivision, "physical or mental impairment" means any of the following:

(i) Any physiological disorder or condition, cosmetic disfigurement, or anatomical loss substantially affecting one or more of the following body systems: neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genitourinary; hemic and lymphatic; skin; or endocrine.

(ii) A mental or psychological disorder, including intellectual disability, organic brain syndrome, emotional or mental illness, and specific learning disabilities.

"Physical or mental impairment" includes, but is not limited to, diseases and conditions as orthopedic, visual, speech, and hearing impairment, cerebral palsy, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, intellectual disability, and emotional illness.

(B) "Major life activities" means functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working.

(c) In determining whether to impose a civil penalty pursuant to subdivision (a) and the amount thereof, the court shall consider, in addition to any other appropriate factors, the extent to which one or more of the following factors are present:

(1) Whether the defendant knew or should have known that his or her conduct was directed to one or more senior citizens or disabled persons.

(2) Whether the defendant's conduct caused one or more senior citizens or disabled persons to suffer any of the following: loss or encumbrance of a primary residence, principal employment, or source of income; substantial loss of property set aside for

retirement, or for personal or family care and maintenance; or substantial loss of payments received under a pension or retirement plan or a government benefits program, or assets essential to the health or welfare of the senior citizen or disabled person.

(3) Whether one or more senior citizens or disabled persons are substantially more vulnerable than other members of the public to the defendant's conduct because of age, poor health or infirmity, impaired understanding, restricted mobility, or disability, and actually suffered substantial physical, emotional, or economic damage resulting from the defendant's conduct.

(d) A court of competent jurisdiction hearing an action pursuant to this section may make orders and judgments as may be necessary to restore to any senior citizen or disabled person money or property, real or personal that may have been acquired by means of a violation of this chapter. Restitution ordered pursuant to this subdivision shall be given priority over recovery of any civil penalty designated by the court as imposed pursuant to subdivision (a), but shall not be given priority over any civil penalty imposed pursuant to subdivision (a) of Section 17206. If the court determines that full restitution cannot be made to those senior citizens or disabled persons, either at the time of judgment or by a future date determined by the court, then restitution under this subdivision shall be made on a pro rata basis depending on the amount of loss.

(Amended by Stats. 2012, Ch. 457, Sec. 3. (SB 1381) Effective January 1, 2013.)

17207. Violation of Injunction Against Unfair Competition; Civil Penalties

(a) Any person who intentionally violates any injunction prohibiting unfair competition issued pursuant to Section 17203 shall be liable for a civil penalty not to exceed six thousand dollars (\$6,000) for each violation. Where the conduct constituting a violation is of a continuing nature, each day of that conduct is a separate and distinct violation. In determining the amount of the civil penalty, the court shall consider all relevant circumstances, including, but not limited to, the extent of the harm caused by the conduct constituting a violation, the nature and persistence of that conduct, the length of time over which the conduct occurred, the assets, liabilities, and net worth of the person, whether corporate or individual, and any corrective action taken by the defendant.

(b) The civil penalty prescribed by this section shall be assessed and recovered in a civil action brought in any county in which the violation occurs or where the injunction was issued in the name of the people of the State of California by the Attorney General or by any district attorney, any county counsel of any county within which a city has a population in excess of 750,000 or any county counsel that is authorized by agreement with the district attorney in actions involving violation of a county ordinance, or any city attorney in any court of competent jurisdiction within the attorney's jurisdiction without regard to the county from which the original injunction was issued. An action brought pursuant to this section to recover civil penalties shall take precedence over all civil matters on the calendar of the court except those matters to which equal precedence on the calendar is granted by law.

(c) If such an action is brought by the Attorney General, one-half of the penalty collected pursuant to this section shall be paid to the treasurer of the county in which the judgment was entered, and one-half to the State Treasurer. If brought by a district attorney or county counsel the entire amount of the penalty collected shall be paid to the treasurer of the county in which the judgment is entered. If brought by a city attorney or city prosecutor, one-half of the penalty shall be paid to the treasurer of the county in which the judgment was entered and one-half to the city, except that if the action was brought by a city attorney of a city and county the entire amount of the penalty collected shall be paid to the treasurer of the city and county in which the judgment is entered.

(d) If the action is brought at the request of a board within the Department of Consumer Affairs or a local consumer affairs agency, the court shall determine the reasonable expenses incurred by the board or local agency in the investigation and prosecution of the action.

Before any penalty collected is paid out pursuant to subdivision (c), the amount of the reasonable expenses incurred by the board shall be paid to the State Treasurer for deposit in the special fund of the board described in Section 205. If the board has no such special fund, the moneys shall be paid to the State Treasurer. The amount of the reasonable expenses incurred by a local consumer affairs agency shall be paid to the general fund of the municipality or county which funds the local agency.

The time for service may be extended by the Chief Justice or presiding justice or judge for good cause shown. No judgment or relief, temporary or permanent, shall be granted or opinion issued until

(b) The court shall impose a civil penalty for each violation of this chapter. In assessing the amount of the civil penalty, the court shall consider any one or more of the relevant circumstances presented by any of the parties to the case, including, but not limited to, the following: the nature and seriousness of the misconduct, the number of violations, the persistence of the misconduct, the length of time over which the misconduct occurred, the willfulness of the defendant's misconduct, and the defendant's assets, liabilities, and net worth.

If brought by a district attorney or county counsel, the entire amount of penalty collected shall be paid to the treasurer of the county in which the judgment was entered. If brought by a city attorney or city prosecutor, one-half of the penalty shall be paid to the treasurer of the county and one-half to the city. The aforementioned funds shall be for the exclusive use by the Attorney General, district attorney, county counsel, and city attorney for the enforcement of consumer protection laws.

(d) If the action is brought at the request of a board within the Department of Consumer Affairs or a local consumer affairs agency, the court shall determine the reasonable expenses incurred by the board or local agency in the investigation and prosecution of the action.

Before any penalty collected is paid out pursuant to subdivision (c), the amount of such reasonable expenses incurred by the board shall be paid to the State Treasurer for deposit in the special fund of the board described in Section 205. If the board has no such special fund the moneys shall be paid to the State Treasurer. The amount of such

reasonable expenses incurred by a local consumer affairs agency shall be paid to the general fund of the municipality which funds the local agency.

(e) As applied to the penalties for acts in violation of Section 17530, the remedies provided by this section and Section 17534 are mutually exclusive.

(Added by Stats. 2018, Ch. 597, Sec. 2. (AB 3143) Effective January 1, 2019. Repealed as of January 1, 2028, pursuant to Section 22259.)

22250.1. Bonding Requirements

The principal sum of the bond shall be five thousand dollars (\$5,000). A tax preparer subject to this section shall provide to the surety company proof that the individual is at least 18 years of age before a surety bond may be issued.

(b) The bond required by this section shall be in favor of, and payable to, the people of the State of California and shall be for the benefit of any person or persons damaged by any fraud, dishonesty, misstatement, misrepresentation, deceit, or any unlawful acts or omissions by the tax preparer, or the tax preparers employed or associated with it to provide tax preparation services.

(c) The tax preparer filing the bond shall identify all tax preparers employed or associated with the tax preparer and shall provide for each employee or associate the evidence required by subdivision (a) to the surety company. Any revision of the bond amount shall not be cumulative. The liability of the surety on the bond shall not include payment of any civil penalties, fines, attorney's fees, or any other cost provided by statute or regulation.

(d) The tax preparer shall file an amendment to the bond within 30 days of a change in information contained in the bond, including a change in the tax preparers employed or associated with the tax preparer.

(e) (1) A tax preparer shall not conduct business without having a current surety bond in the amount prescribed by this section.

(2) Thirty days prior to the cancellation or termination of any surety bond required by this section, the surety shall send a written notice of that cancellation or termination to the tax preparer and the California Tax Education Council, identifying the bond and the date of cancellation or termination.

(3) If a tax preparer fails to obtain a new bond by the effective date of the cancellation or termination of the former bond, the tax preparer shall cease to conduct business until that time as a new surety bond is obtained.

(f) Notwithstanding Section 995.710 of the Code of Civil Procedure, a tax preparer shall not make a deposit in lieu of bond.

(g) A tax preparer shall furnish evidence of the bond required by this section upon the request of any state or federal agency or any law enforcement agency or the California Tax Education Council.

(h) On and after July 1, 2019, a tax preparer shall report a paid claim against its surety bond to the council, and the council shall post a notice of the claim on its internet website.

(Added by Stats. 2013, Ch. 660, Sec. 7. (SB 484) Effective January 1, 2014. Repealed as of January 1, 2028, pursuant to Section 22259.)

22253.4. Due Process

(a) No registrant or applicant may be disciplined or denied registration except according to procedures satisfying the requirements of this section. A denial or discipline not in accord with this section shall be void and without effect.

(b) Any application denial or registrant discipline shall be done in good faith and in a fair and reasonable manner. Any procedures that conform to the requirements of this chapter are fair and reasonable, but a court may also find other procedures to be fair and reasonable when the full circumstances of the application denial or registrant discipline are considered.

(c) A procedure is fair and reasonable if all of the following apply:

(1) It provides the giving of 15 days prior notice of the application denial or registration discipline and the reasons therefor.

If the action is successful, the court may order any relief, including reinstatement, that it finds equitable under the circumstances.

(f) The council may charge applicants and registrants a reasonable regulatory fee as a condition of any hearing requested by the applicant or registrant for the purpose of contesting denial of a registration or discipline of a registrant. This fee shall not exceed the reasonable cost to the council of providing the hearing. Upon a favorable judgment for the council in any proceeding, the council shall be entitled to recover its reasonable attorney's fees.

(g) This section governs only the procedures for application denial or registrant discipline and not the substantive grounds therefor. An application denial or registrant discipline based upon substantive grounds that violates contractual or other rights of the applicant or registrant or is otherwise unlawful is not made valid by compliance with this section.

(a) A consumer credit reporting agency, as defined in 15 U.S.C. Sec. 1681a(p), that owns, licenses, or maintains personal information about a California resident, or a third party that maintains personal information about a California resident on behalf of a consumer credit reporting agency, that knows, or reasonably should know, that a computer system it owns, operates, or maintains, and for which it controls the security protocols, is subject to a security vulnerability that poses a significant risk, as defined in subdivision (c), to the security of computerized data that contains personal information, as defined in subdivision (h) of Section 1798.82, shall do all of the following:

(1) If a consumer credit reporting agency knows or reasonably should know that a software update is available to address the vulnerability as described in subdivision (a), the agency shall begin the necessary testing, planning, and assessment of its systems for implementation of that software update in the most expedient time possible and without unreasonable delay, in keeping with industry best practices, but in any case no later than three business days after becoming aware, or after the point at which it reasonably should have become aware, of the vulnerability and the available software update. The software update shall be completed in the most expedient time possible and without unreasonable delay, in keeping with industry best practices, but in any case no later than 90 days after becoming aware, or after the point at which it reasonably should have become aware, of the vulnerability and the available software update.

(2) Until the software update described in paragraph (1) is complete, the consumer credit reporting agency shall, in keeping with industry best practices, employ reasonable compensating controls to reduce the risk of a breach caused by computer system vulnerability as described in subdivision (a).

(b) Notwithstanding whether a software update is available, the consumer credit reporting agency, in keeping with industry best practices, shall do all of the following:

(3) Require, by contract, that the third party implement and maintain appropriate security measures for personal information. Contracting with a third party to maintain

personal information about California residents shall not relieve the consumer credit agency of the requirements of this section.

(d) As used in this section, "compensating controls" means controls that the agency reasonably believes will prevent the computer system vulnerability as described in subdivision (a) from being exploited while the software update is being tested, assessed, and a plan for implementation is being developed, and have been adequately tested and confirmed to sufficiently offset the risk of breach caused by computer system vulnerability as described in subdivision (a).

(e) Nothing in this section shall reduce the responsibilities and obligations of a consumer credit reporting agency or third party under this title, including, but not limited to, Section 1798.81.5.

(f) The Attorney General has exclusive authority to enforce this section.

The disclosure shall be made in the most expedient time possible and without unreasonable delay, consistent with the legitimate needs of law enforcement, as provided in subdivision (c), or any measures necessary to determine the scope of the breach and restore the reasonable integrity of the data system.

(b) A person or business that maintains computerized data that includes personal information that the person or business does not own shall notify the owner or licensee of the information of the breach of the security of the data immediately following discovery, if the personal information was, or is reasonably believed to have been, acquired by an unauthorized person.

(b) (1) A business required to comply with this section shall designate a mailing address, electronic mail address, or, if the business chooses to receive requests by telephone or facsimile, a toll-free telephone or facsimile number, to which customers may deliver requests pursuant to subdivision (a). 16951. Registration of Limited Liability Partnerships

For purposes of this chapter, the only types of limited liability partnerships that shall be recognized are a registered limited liability partnership and a foreign limited liability partnership, as defined in Section 16101. No registered limited liability partnership or foreign limited liability partnership may render professional limited liability partnership services in this state except through licensed persons.

(Added by Stats. 1996, Ch. 1003, Sec. 2. Effective January 1, 1997.)

16952. Name Limited Liability Partnership

The name of a registered limited liability partnership shall contain the words "Registered Limited Liability Partnership" or "Limited Liability Partnership" or one of the abbreviations "L.L.P.," "LLP," "R.L.L.P.," or "RLLP" as the last words or letters of its name.

(Added by Stats. 1996, Ch. 1003, Sec. 2. Effective January 1, 1997.)

16953. Filing Requirements

(a) To become a registered limited liability partnership, a partnership, other than a limited partnership, shall file with the Secretary of State a registration, executed by one or more partners authorized to execute a registration, stating all of the following:

- (1) The name of the partnership.
- (2) The street address of its principal office.
- (3) The mailing address of its principal office, if different from the street address.
- (4) The name and street address of the agent for service of process on the limited liability partnership in California in accordance with subdivision (a) of Section 16309.
- (5) A brief statement of the business in which the partnership engages.
- (6) Any other matters that the partnership determines to include.
- (7) That the partnership is registering as a registered limited liability partnership.

(b) The registration shall be accompanied by a fee as set forth in subdivision (a) of Section 12189 of the Government Code.

(c) The Secretary of State shall register as a registered limited liability partnership any partnership that submits a completed registration with the required fee.

(d) The Secretary of State may cancel the filing of the registration if a check or other remittance accepted in payment of the filing fee is not paid upon presentation. Within 90 days of receiving written notification that the item presented for payment has not been honored for payment, the Secretary of State shall give a first written notice of the applicability of this section to the agent for service of process or to the person submitting the instrument. Thereafter, if the amount has not been paid by cashier's check or equivalent, the Secretary of State shall give a second written notice of cancellation and the cancellation shall thereupon be effective. The second notice shall be given 20 days or more after the first notice.

(e) A partnership becomes a registered limited liability partnership at the time of the filing of the initial registration with the Secretary of State or at any later date or time specified in the registration and the payment of the fee required by subdivision (b). A partnership continues as a registered limited liability partnership until a notice that it is no longer a registered limited liability partnership has been filed pursuant to subdivision (b) of Section 16954 or, if applicable, until it has been dissolved and finally wound up. The status of a partnership as a registered limited liability partnership and the liability of a partner of the registered limited liability partnership shall not be adversely affected by errors or subsequent changes in the information stated in a registration under subdivision (a) or an amended registration or notice under Section 16954.

(f) The fact that a registration or amended registration pursuant to this section is on file with the Secretary of State is notice that the partnership is a registered limited liability partnership and of those other facts contained therein that are required to be set forth in the registration or amended registration.

(g) The Secretary of State shall provide a form for a registration under subdivision (a), which shall include the form for confirming compliance with the optional security requirement pursuant to subdivision (c) of Section 16956. The Secretary of State shall include with instructional materials provided in conjunction with the form for a registration under subdivision (a) a notice that filing the registration will obligate the limited liability partnership to pay an annual tax for that taxable year to the Franchise

Tax Board pursuant to Section 17948 of the Revenue and Taxation Code. That notice shall be updated annually to specify the dollar amount of the tax.

(h) A limited liability partnership providing professional limited liability partnership services in this state shall comply with all statutory and administrative registration or filing requirements of the state board, commission, or other agency that prescribes the rules and regulations governing the particular profession in which the partnership proposes to engage, pursuant to the applicable provisions of the Business and Professions Code relating to that profession. The state board, commission, or other agency shall not disclose, unless compelled by a subpoena or other order of a court of competent jurisdiction, any information it receives in the course of evaluating the compliance of a limited liability partnership with applicable statutory and administrative registration or filing requirements, provided that nothing in this section shall be construed to prevent a state board, commission, or other agency from disclosing the manner in which the limited liability partnership has complied with the requirements of Section 16956, or the compliance or noncompliance by the limited liability partnership with any other requirements of the state board, commission, or other agency.

(i) An agent designated for service of process may deliver to the Secretary of State, on a form prescribed by the Secretary of State for filing, a signed and acknowledged written statement of resignation as an agent for service of process containing the name of the limited liability partnership and the Secretary of State's file number of the limited liability partnership, the name of the resigning agent for service of process, and a statement that the agent is resigning. On filing of the statement of resignation, the authority of the agent to act in that capacity shall cease and the Secretary of State shall mail or otherwise provide written notice of the filing of the statement of resignation to the limited liability partnership at its principal office.

(j) The resignation of an agent may be effective if, on a form prescribed by the Secretary of State containing the name of the limited liability partnership and Secretary of State's file number for the limited liability partnership and the name of the agent for service of process, the agent disclaims having been properly appointed as the agent.

(k) If an individual who has been designated agent for service of process dies, resigns, or no longer resides in the state or if the corporate agent for that purpose resigns, dissolves, withdraws from the state, forfeits its right to transact intrastate business, has its corporate rights, powers, and privileges suspended, or ceases to exist, the limited liability partnership shall promptly file an amended registration as a limited liability partnership designating a new agent.

(l) The Secretary of State may destroy or otherwise dispose of any statement of resignation filed pursuant to this section after a new registration is filed pursuant to this section replacing the agent for service of process that has resigned.

(Amended by Stats. 2022, Ch. 617, Sec. 111. (SB 1202) Effective January 1, 2023.)

16954. Amendment of Registration

(a) The registration of a registered limited liability partnership may be amended by an amended registration executed by one or more partners authorized to execute an amended registration and filed with the Secretary of State, as soon as reasonably practical after any information set forth in the registration or previously filed amended

registration becomes inaccurate or to add information to the registration or amended registration.

(b) If a registered limited liability partnership ceases to be a registered limited liability partnership, it shall file with the Secretary of State a notice, executed by one or more partners authorized to execute the notice, that it is no longer a registered limited liability partnership. The notice shall state that a final annual tax return, as described by Section 17948.3 of the Revenue and Taxation Code, has been or will be filed with the Franchise Tax Board, as required under Part 10.2 (commencing with Section 18401) of Division 2 of the Revenue and Taxation Code.

(c) An amendment pursuant to subdivision (a) and a notice pursuant to subdivision (b) shall each be accompanied by a fee as set forth in subdivision (c) of Section 12189 of the Government Code.

(d) The Secretary of State shall provide forms for an amended registration under subdivision (a) and a notice under subdivision (b).

(e) A notice of cessation, signed pursuant to subdivision (b), shall be filed with the Secretary of State. The Secretary of State shall notify the Franchise Tax Board of the cessation.

(f) A certificate of merger or the agreement of merger shall have the effect of the filing of a notice of termination for each disappearing registered limited liability partnership.

(Amended by Stats. 2022, Ch. 617, Sec. 112. (SB 1202) Effective January 1, 2023.)

16955. Conversion to a Limited Liability Partnership

(a) A domestic partnership, other than a limited partnership, may convert to a registered limited liability partnership by the vote of the partners possessing a majority of the interests of its partners in the current profits of the partnership or by a different vote as may be required in its partnership agreement.

(b) When such a conversion takes effect, all of the following apply:

(1) All property, real and personal, tangible and intangible, of the converting partnership remains vested in the converted registered limited liability partnership.

(2) All debts, obligations, liabilities, and penalties of the converting partnership continue as debts, obligations, liabilities, and penalties of the converted registered limited liability partnership.

(3) Any action, suit, or proceeding, civil or criminal, then pending by or against the converting partnership may be continued as if the conversion had not occurred.

(4) To the extent provided in the agreement of conversion and in this chapter, the partners of a partnership shall continue as partners in the converted registered limited liability partnership.

(5) A partnership that has been converted to a registered limited liability partnership pursuant to this chapter is the same person that existed prior to the conversion.

(Amended by Stats. 2017, Ch. 561, Sec. 26. (AB 1516) Effective January 1, 2018.)

16956. Security for Claims [Repealed January 1, 2026]

(a) At the time of registration pursuant to Section 16953, in the case of a registered limited liability partnership, and Section 16959, in the case of a foreign limited liability

partnership, and at all times during which those partnerships shall transact intrastate business, every registered limited liability partnership and foreign limited liability partnership, as the case may be, shall be required to provide security for claims against it as follows:

(1) For claims based upon acts, errors, or omissions arising out of the practice of public accountancy, a registered limited liability partnership or foreign limited liability partnership providing accountancy services shall comply with one, or pursuant to subdivision (b) some combination, of the following:

(A) Maintaining a policy or policies of insurance against liability imposed on or against it by law for damages arising out of claims; however, the total aggregate limit of liability under the policy or policies of insurance for partnerships with five or fewer licensed persons shall not be less than one million dollars (\$1,000,000), and for partnerships with more than five licensees rendering professional services on behalf of the partnership, an additional one hundred thousand dollars (\$100,000) of insurance shall be obtained for each additional licensee; however, the maximum amount of insurance is not required to exceed five million dollars (\$5,000,000) in any one designated period, less amounts paid in defending, settling, or discharging claims as set forth in this subparagraph. The policy or policies may be issued on a claims-made or occurrence basis, and shall cover: (i) in the case of a claims-made policy, claims initially asserted in the designated period, and (ii) in the case of an occurrence policy, occurrences during the designated period. For purposes of this subparagraph, "designated period" means a policy year or any other period designated in the policy that is not greater than 12 months. The impairment or exhaustion of the aggregate limit of liability by amounts paid under the policy in connection with the settlement, discharge, or defense of claims applicable to a designated period shall not require the partnership to acquire additional insurance coverage for that designated period. The policy or policies of insurance may be in a form reasonably available in the commercial insurance market and may be subject to those terms, conditions, exclusions, and endorsements that are typically contained in those policies. A policy or policies of insurance maintained pursuant to this subparagraph may be subject to a deductible or self-insured retention.

Upon the dissolution and winding up of the partnership, the partnership shall, with respect to any insurance policy or policies then maintained pursuant to this subparagraph, maintain or obtain an extended reporting period endorsement or equivalent provision in the maximum total aggregate limit of liability required to comply with this subparagraph for a minimum of three years if reasonably available from the insurer.

(B) Maintaining in trust or bank escrow, cash, bank certificates of deposit, United States Treasury obligations, bank letters of credit, or bonds of insurance or surety companies as security for payment of liabilities imposed by law for damages arising out of all claims; however, the maximum amount of security for partnerships with five or fewer licensed persons shall not be less than one million dollars (\$1,000,000), and for partnerships with more than five licensees rendering professional services on behalf of the partnership, an additional one hundred thousand dollars (\$100,000) of security shall be obtained for each additional licensee; however, the maximum amount of security is not required to exceed five million dollars (\$5,000,000). The partnership remains in compliance with this section during a calendar year notwithstanding amounts paid

during that calendar year from the accounts, funds, Treasury obligations, letters of credit, or bonds in defending, settling, or discharging claims of the type described in this paragraph, provided that the amount of those accounts, funds, Treasury obligations, letters of credit, or bonds was at least the amount specified in the preceding sentence as of the first business day of that calendar year. Notwithstanding the pendency of other claims against the partnership, a registered limited liability partnership or foreign limited liability partnership shall be deemed to be in compliance with this subparagraph as to a claim if within 30 days after the time that a claim is initially asserted through service of a summons, complaint, or comparable pleading in a judicial or administrative proceeding, the partnership has provided the required amount of security by designating and segregating funds in compliance with the requirements of this subparagraph.

(C) Unless the partnership has satisfied subparagraph (D), each partner of a registered limited liability partnership or foreign limited liability partnership providing accountancy services, by virtue of that person's status as a partner, thereby automatically guarantees payment of the difference between the maximum amount of security required for the partnership by this paragraph and the security otherwise provided in accordance with subparagraphs (A) and (B), provided that the aggregate amount paid by all partners under these guarantees shall not exceed the difference. Neither withdrawal by a partner nor the dissolution and winding up of the partnership shall affect the rights or obligations of a partner arising prior to withdrawal or dissolution and winding up, and the guarantee provided for in this subparagraph shall apply only to conduct that occurred prior to the withdrawal or dissolution and winding up. Nothing contained in this subparagraph shall affect or impair the rights or obligations of the partners among themselves, or the partnership, including, but not limited to, rights of contribution, subrogation, or indemnification.

(D) Confirming, pursuant to the procedure in subdivision (c), that, as of the most recently completed fiscal year of the partnership, it had a net worth equal to or exceeding ten million dollars (\$10,000,000).

(2) For claims based upon acts, errors, or omissions arising out of the practice of law, a registered limited liability partnership or foreign limited liability partnership providing legal services shall comply with one, or pursuant to subdivision (b) some combination, of the following:

(A) Each registered limited liability partnership or foreign limited liability partnership providing legal services shall maintain a policy or policies of insurance against liability imposed on or against it by law for damages arising out of claims; however, the total aggregate limit of liability under the policy or policies of insurance for partnerships with five or fewer licensed persons shall not be less than one million dollars (\$1,000,000), and for partnerships with more than five licensees rendering professional services on behalf of the partnership, an additional one hundred thousand dollars (\$100,000) of insurance shall be obtained for each additional licensee; however, the maximum amount of insurance is not required to exceed seven million five hundred thousand dollars (\$7,500,000) in any one designated period, less amounts paid in defending, settling, or discharging claims as set forth in this subparagraph. The policy or policies may be issued on a claims-made or occurrence basis, and shall cover (i) in the case of a claims-made policy, claims initially asserted in the designated period, and (ii) in the case of an occurrence policy, occurrences during the designated period. For purposes

of this subparagraph, “designated period” means a policy year or any other period designated in the policy that is not greater than 12 months. The impairment or exhaustion of the aggregate limit of liability by amounts paid under the policy in connection with the settlement, discharge, or defense of claims applicable to a designated period shall not require the partnership to acquire additional insurance coverage for that designated period. The policy or policies of insurance may be in a form reasonably available in the commercial insurance market and may be subject to those terms, conditions, exclusions, and endorsements that are typically contained in those policies. A policy or policies of insurance maintained pursuant to this subparagraph may be subject to a deductible or self-insured retention.

Upon the dissolution and winding up of the partnership, the partnership shall, with respect to any insurance policy or policies then maintained pursuant to this subparagraph, maintain or obtain an extended reporting period endorsement or equivalent provision in the maximum total aggregate limit of liability required to comply with this subparagraph for a minimum of three years if reasonably available from the insurer.

(B) Each registered limited liability partnership or foreign limited liability partnership providing legal services shall maintain in trust or bank escrow, cash, bank certificates of deposit, United States Treasury obligations, bank letters of credit, or bonds of insurance or surety companies as security for payment of liabilities imposed by law for damages arising out of all claims; however, the maximum amount of security for partnerships with five or fewer licensed persons shall not be less than one million dollars (\$1,000,000), and for partnerships with more than five licensees rendering professional services on behalf of the partnership, an additional one hundred thousand dollars (\$100,000) of security shall be obtained for each additional licensee; however, the maximum amount of security is not required to exceed seven million five hundred thousand dollars (\$7,500,000). The partnership remains in compliance with this section during a calendar year notwithstanding amounts paid during that calendar year from the accounts, funds, Treasury obligations, letters of credit, or bonds in defending, settling, or discharging claims of the type described in this paragraph, provided that the amount of those accounts, funds, Treasury obligations, letters of credit, or bonds was at least the amount specified in the preceding sentence as of the first business day of that calendar year. Notwithstanding the pendency of other claims against the partnership, a registered limited liability partnership or foreign limited liability partnership shall be deemed to be in compliance with this subparagraph as to a claim if within 30 days after the time that a claim is initially asserted through service of a summons, complaint, or comparable pleading in a judicial or administrative proceeding, the partnership has provided the required amount of security by designating and segregating funds in compliance with the requirement of this subparagraph.

(C) Unless the partnership has satisfied the requirements of subparagraph (D), each partner of a registered limited liability partnership or foreign limited liability partnership providing legal services, by virtue of that person’s status as a partner, thereby automatically guarantees payment of the difference between the maximum amount of security required for the partnership by this paragraph and the security otherwise provided in accordance with the provisions of subparagraphs (A) and (B), provided that the aggregate amount paid by all partners under these guarantees shall not exceed the

difference. Neither withdrawal by a partner nor the dissolution and winding up of the partnership shall affect the rights or obligations of a partner arising prior to withdrawal or dissolution and winding up, and the guarantee provided for in this subparagraph shall apply only to conduct that occurred prior to the withdrawal or dissolution and winding up. Nothing contained in this subparagraph shall affect or impair the rights or obligations of the partners among themselves, or the partnership, including, but not limited to, rights of contribution, subrogation, or indemnification.

(D) Confirming, pursuant to the procedure in subdivision (c), that, as of the most recently completed fiscal year of the partnership, it had a net worth equal to or exceeding fifteen million dollars (\$15,000,000).

(3) For claims based upon acts, errors, or omissions arising out of the practice of architecture, a registered limited liability partnership or foreign limited liability partnership providing architectural services shall comply with one, or pursuant to subdivision (b) some combination, of the following:

(A) Maintaining a policy or policies of insurance against liability imposed on or against it by law for damages arising out of claims; however, the total aggregate limit of liability under the policy or policies of insurance for partnerships with five or fewer licensees rendering professional services on behalf of the partnership shall not be less than one million dollars (\$1,000,000), and for partnerships with more than five licensees rendering professional services on behalf of the partnership, an additional one hundred thousand dollars (\$100,000) of liability coverage shall be obtained for each additional licensee; however, the total aggregate limit of liability under the policy or policies of insurance is not required to exceed five million dollars (\$5,000,000). The policy or policies may be issued on a claims-made or occurrence basis, and shall cover: (i) in the case of a claims-made policy, claims initially asserted in the designated period, and (ii) in the case of an occurrence policy, occurrences during the designated period. For purposes of this subparagraph, "designated period" means a policy year or any other period designated in the policy that is not greater than 12 months. The impairment or exhaustion of the aggregate limit of liability by amounts paid under the policy in connection with the settlement, discharge, or defense of claims applicable to a designated period shall not require the partnership to acquire additional insurance coverage for that designated period. The policy or policies of insurance may be in a form reasonably available in the commercial insurance market and may be subject to those terms, conditions, exclusions, and endorsements that are typically contained in those policies. A policy or policies of insurance maintained pursuant to this subparagraph may be subject to a deductible or self-insured retention.

Upon the dissolution and winding up of the partnership, the partnership shall, with respect to any insurance policy or policies then maintained pursuant to this subparagraph, maintain or obtain an extended reporting period endorsement or equivalent provision in the maximum total aggregate limit of liability required to comply with this subparagraph for a minimum of three years if reasonably available from the insurer.

(B) Maintaining in trust or bank escrow, cash, bank certificates of deposit, United States Treasury obligations, bank letters of credit, or bonds of insurance or surety companies as security for payment of liabilities imposed by law for damages arising out of all claims; however, the maximum amount of security for partnerships with five or fewer

licensees rendering professional services on behalf of the partnership shall not be less than one million dollars (\$1,000,000), and for partnerships with more than five licensees rendering professional services on behalf of the partnership, an additional one hundred thousand dollars (\$100,000) of security shall be obtained for each additional licensee; however, the maximum amount of security is not required to exceed five million dollars (\$5,000,000). The partnership remains in compliance with this section during a calendar year notwithstanding amounts paid during that calendar year from the accounts, funds, Treasury obligations, letters of credit, or bonds in defending, settling, or discharging claims of the type described in this paragraph, provided that the amount of those accounts, funds, Treasury obligations, letters of credit, or bonds was at least the amount specified in the preceding sentence as of the first business day of that calendar year. Notwithstanding the pendency of other claims against the partnership, a registered limited liability partnership or foreign limited liability partnership shall be deemed to be in compliance with this subparagraph as to a claim if within 30 days after the time that a claim is initially asserted through service of a summons, complaint, or comparable pleading in a judicial or administrative proceeding, the partnership has provided the required amount of security by designating and segregating funds in compliance with the requirements of this subparagraph.

(C) Unless the partnership has satisfied subparagraph (D), each partner of a registered limited liability partnership or foreign limited liability partnership providing architectural services, by virtue of that person's status as a partner, thereby automatically guarantees payment of the difference between the maximum amount of security required for the partnership by this paragraph and the security otherwise provided in accordance with subparagraphs (A) and (B), provided that the aggregate amount paid by all partners under these guarantees shall not exceed the difference. Neither withdrawal by a partner nor the dissolution and winding up of the partnership shall affect the rights or obligations of a partner arising prior to withdrawal or dissolution and winding up, and the guarantee provided for in this subparagraph shall apply only to conduct that occurred prior to the withdrawal or dissolution and winding up. Nothing contained in this subparagraph shall affect or impair the rights or obligations of the partners among themselves, or the partnership, including, but not limited to, rights of contribution, subrogation, or indemnification.

(D) Confirming, pursuant to the procedure in subdivision (c), that, as of the most recently completed fiscal year of the partnership, it had a net worth equal to or exceeding ten million dollars (\$10,000,000).

(4) For claims based upon acts, errors, or omissions arising out of the practice of engineering or the practice of land surveying, a registered limited liability partnership or foreign limited liability partnership providing engineering or land surveying services shall comply with one, or pursuant to subdivision (b) some combination, of the following:

(A) Maintaining a policy or policies of insurance against liability imposed on or against it by law for damages arising out of claims; however, the total aggregate limit of liability under the policy or policies of insurance for partnerships with five or fewer licensees rendering professional services on behalf of the partnership shall not be less than two million dollars (\$2,000,000), and for partnerships with more than five licensees rendering professional services on behalf of the partnership, an additional one hundred thousand dollars (\$100,000) of liability coverage shall be obtained for each additional

licensee; however, the total aggregate limit of liability under the policy or policies of insurance is not required to exceed five million dollars (\$5,000,000). The policy or policies may be issued on a claims-made or occurrence basis, and shall cover: (i) in the case of a claims-made policy, claims initially asserted in the designated period, and (ii) in the case of an occurrence policy, occurrences during the designated period. For purposes of this subparagraph, "designated period" means a policy year or any other period designated in the policy that is not greater than 12 months. The impairment or exhaustion of the aggregate limit of liability by amounts paid under the policy in connection with the settlement, discharge, or defense of claims applicable to a designated period shall not require the partnership to acquire additional insurance coverage for that designated period. The policy or policies of insurance may be in a form reasonably available in the commercial insurance market and may be subject to those terms, conditions, exclusions, and endorsements that are typically contained in those policies. A policy or policies of insurance maintained pursuant to this subparagraph may be subject to a deductible or self-insured retention.

Upon the dissolution and winding up of the partnership, the partnership shall, with respect to any insurance policy or policies then maintained pursuant to this subparagraph, maintain or obtain an extended reporting period endorsement or equivalent provision in the maximum total aggregate limit of liability required to comply with this subparagraph for a minimum of three years if reasonably available from the insurer.

(B) Maintaining in trust or bank escrow, cash, bank certificates of deposit, United States Treasury obligations, bank letters of credit, or bonds of insurance or surety companies as security for payment of liabilities imposed by law for damages arising out of all claims; however, the maximum amount of security for partnerships with five or fewer licensees rendering professional services on behalf of the partnership shall not be less than two million dollars (\$2,000,000), and for partnerships with more than five licensees rendering professional services on behalf of the partnership, an additional one hundred thousand dollars (\$100,000) of security shall be obtained for each additional licensee; however, the maximum amount of security is not required to exceed five million dollars (\$5,000,000). The partnership remains in compliance with this section during a calendar year, notwithstanding amounts paid during that calendar year from the accounts, funds, Treasury obligations, letters of credit, or bonds in defending, settling, or discharging claims of the type described in this paragraph, provided that the amount of those accounts, funds, Treasury obligations, letters of credit, or bonds was at least the amount specified in the preceding sentence as of the first business day of that calendar year. Notwithstanding the pendency of other claims against the partnership, a registered limited liability partnership or foreign limited liability partnership shall be deemed to be in compliance with this subparagraph as to a claim if, within 30 days after the time that a claim is initially asserted through service of a summons, complaint, or comparable pleading in a judicial or administrative proceeding, the partnership has provided the required amount of security by designating and segregating funds in compliance with the requirements of this subparagraph.

(C) Unless the partnership has satisfied subparagraph (D), each partner of a registered limited liability partnership or foreign limited liability partnership providing engineering services or land surveying services, by virtue of that person's status as a partner,

thereby automatically guarantees payment of the difference between the maximum amount of security required for the partnership by this paragraph and the security otherwise provided in accordance with subparagraphs (A) and (B), provided that the aggregate amount paid by all partners under these guarantees shall not exceed the difference. Neither withdrawal by a partner nor the dissolution and winding up of the partnership shall affect the rights or obligations of a partner arising prior to withdrawal or dissolution and winding up, and the guarantee provided for in this subparagraph shall apply only to conduct that occurred prior to the withdrawal or dissolution and winding up. Nothing contained in this subparagraph shall affect or impair the rights or obligations of the partners among themselves, or the partnership, including, but not limited to, rights of contribution, subrogation, or indemnification.

(D) Confirming, pursuant to the procedure in subdivision (c), that, as of the most recently completed fiscal year of the partnership, it had a net worth equal to or exceeding ten million dollars (\$10,000,000).

16956. Security for Claims [Operative January 1, 2026]

(a) At the time of registration pursuant to Section 16953, in the case of a registered limited liability partnership, and Section 16959, in the case of a foreign limited liability partnership, and at all times during which those partnerships shall transact intrastate business, every registered limited liability partnership and foreign limited liability partnership, as the case may be, shall be required to provide security for claims against it as follows:

(1) For claims based upon acts, errors, or omissions arising out of the practice of public accountancy, a registered limited liability partnership or foreign limited liability partnership providing accountancy services shall comply with one, or pursuant to subdivision (b) some combination, of the following:

(A) Maintaining a policy or policies of insurance against liability imposed on or against it by law for damages arising out of claims; however, the total aggregate limit of liability under the policy or policies of insurance for partnerships with five or fewer licensed persons shall not be less than one million dollars (\$1,000,000), and for partnerships with more than five licensees rendering professional services on behalf of the partnership, an additional one hundred thousand dollars (\$100,000) of insurance shall be obtained for each additional licensee; however, the maximum amount of insurance is not required to exceed five million dollars (\$5,000,000) in any one designated period, less amounts paid in defending, settling, or discharging claims as set forth in this subparagraph. The policy or policies may be issued on a claims-made or occurrence basis, and shall cover:

(i) in the case of a claims-made policy, claims initially asserted in the designated period, and (ii) in the case of an occurrence policy, occurrences during the designated period.

For purposes of this subparagraph, "designated period" means a policy year or any other period designated in the policy that is not greater than 12 months. The impairment or exhaustion of the aggregate limit of liability by amounts paid under the policy in connection with the settlement, discharge, or defense of claims applicable to a designated period shall not require the partnership to acquire additional insurance coverage for that designated period. The policy or policies of insurance may be in a form reasonably available in the commercial insurance market and may be subject to those terms, conditions, exclusions, and endorsements that are typically contained in those policies. A policy or policies of insurance maintained pursuant to this subparagraph may be subject to a deductible or self-insured retention.

Upon the dissolution and winding up of the partnership, the partnership shall, with respect to any insurance policy or policies then maintained pursuant to this subparagraph, maintain or obtain an extended reporting period endorsement or equivalent provision in the maximum total aggregate limit of liability required to comply with this subparagraph for a minimum of three years if reasonably available from the insurer.

(B) Maintaining in trust or bank escrow, cash, bank certificates of deposit, United States Treasury obligations, bank letters of credit, or bonds of insurance or surety companies as security for payment of liabilities imposed by law for damages arising out of all claims; however, the maximum amount of security for partnerships with five or fewer licensed persons shall not be less than one million dollars (\$1,000,000), and for partnerships with more than five licensees rendering professional services on behalf of the partnership, an additional one hundred thousand dollars (\$100,000) of security shall

be obtained for each additional licensee; however, the maximum amount of security is not required to exceed five million dollars (\$5,000,000). The partnership remains in compliance with this section during a calendar year notwithstanding amounts paid during that calendar year from the accounts, funds, Treasury obligations, letters of credit, or bonds in defending, settling, or discharging claims of the type described in this paragraph, provided that the amount of those accounts, funds, Treasury obligations, letters of credit, or bonds was at least the amount specified in the preceding sentence as of the first business day of that calendar year. Notwithstanding the pendency of other claims against the partnership, a registered limited liability partnership or foreign limited liability partnership shall be deemed to be in compliance with this subparagraph as to a claim if within 30 days after the time that a claim is initially asserted through service of a summons, complaint, or comparable pleading in a judicial or administrative proceeding, the partnership has provided the required amount of security by designating and segregating funds in compliance with the requirements of this subparagraph.

(C) Unless the partnership has satisfied subparagraph (D), each partner of a registered limited liability partnership or foreign limited liability partnership providing accountancy services, by virtue of that person's status as a partner, thereby automatically guarantees payment of the difference between the maximum amount of security required for the partnership by this paragraph and the security otherwise provided in accordance with subparagraphs (A) and (B), provided that the aggregate amount paid by all partners under these guarantees shall not exceed the difference. Neither withdrawal by a partner nor the dissolution and winding up of the partnership shall affect the rights or obligations of a partner arising prior to withdrawal or dissolution and winding up, and the guarantee provided for in this subparagraph shall apply only to conduct that occurred prior to the withdrawal or dissolution and winding up. Nothing contained in this subparagraph shall affect or impair the rights or obligations of the partners among themselves, or the partnership, including, but not limited to, rights of contribution, subrogation, or indemnification.

(D) Confirming, pursuant to the procedure in subdivision (c), that, as of the most recently completed fiscal year of the partnership, it had a net worth equal to or exceeding ten million dollars (\$10,000,000).

(2) For claims based upon acts, errors, or omissions arising out of the practice of law, a registered limited liability partnership or foreign limited liability partnership providing legal services shall comply with one, or pursuant to subdivision (b) some combination, of the following:

(A) Each registered limited liability partnership or foreign limited liability partnership providing legal services shall maintain a policy or policies of insurance against liability imposed on or against it by law for damages arising out of claims; however, the total aggregate limit of liability under the policy or policies of insurance for partnerships with five or fewer licensed persons shall not be less than one million dollars (\$1,000,000), and for partnerships with more than five licensees rendering professional services on behalf of the partnership, an additional one hundred thousand dollars (\$100,000) of insurance shall be obtained for each additional licensee; however, the maximum amount of insurance is not required to exceed seven million five hundred thousand dollars (\$7,500,000) in any one designated period, less amounts paid in defending, settling, or discharging claims as set forth in this subparagraph. The policy or policies

may be issued on a claims-made or occurrence basis, and shall cover (i) in the case of a claims-made policy, claims initially asserted in the designated period, and (ii) in the case of an occurrence policy, occurrences during the designated period. For purposes of this subparagraph, "designated period" means a policy year or any other period designated in the policy that is not greater than 12 months. The impairment or exhaustion of the aggregate limit of liability by amounts paid under the policy in connection with the settlement, discharge, or defense of claims applicable to a designated period shall not require the partnership to acquire additional insurance coverage for that designated period. The policy or policies of insurance may be in a form reasonably available in the commercial insurance market and may be subject to those terms, conditions, exclusions, and endorsements that are typically contained in those policies. A policy or policies of insurance maintained pursuant to this subparagraph may be subject to a deductible or self-insured retention. Upon the dissolution and winding up of the partnership, the partnership shall, with respect to any insurance policy or policies then maintained pursuant to this subparagraph, maintain or obtain an extended reporting period endorsement or equivalent provision in the maximum total aggregate limit of liability required to comply with this subparagraph for a minimum of three years if reasonably available from the insurer.

(B) Each registered limited liability partnership or foreign limited liability partnership providing legal services shall maintain in trust or bank escrow, cash, bank certificates of deposit, United States Treasury obligations, bank letters of credit, or bonds of insurance or surety companies as security for payment of liabilities imposed by law for damages arising out of all claims; however, the maximum amount of security for partnerships with five or fewer licensed persons shall not be less than one million dollars (\$1,000,000), and for partnerships with more than five licensees rendering professional services on behalf of the partnership, an additional one hundred thousand dollars (\$100,000) of security shall be obtained for each additional licensee; however, the maximum amount of security is not required to exceed seven million five hundred thousand dollars (\$7,500,000). The partnership remains in compliance with this section during a calendar year notwithstanding amounts paid during that calendar year from the accounts, funds, Treasury obligations, letters of credit, or bonds in defending, settling, or discharging claims of the type described in this paragraph, provided that the amount of those accounts, funds, Treasury obligations, letters of credit, or bonds was at least the amount specified in the preceding sentence as of the first business day of that calendar year. Notwithstanding the pendency of other claims against the partnership, a registered limited liability partnership or foreign limited liability partnership shall be deemed to be in compliance with this subparagraph as to a claim if within 30 days after the time that a claim is initially asserted through service of a summons, complaint, or comparable pleading in a judicial or administrative proceeding, the partnership has provided the required amount of security by designating and segregating funds in compliance with the requirement of this subparagraph.

(C) Unless the partnership has satisfied the requirements of subparagraph (D), each partner of a registered limited liability partnership or foreign limited liability partnership providing legal services, by virtue of that person's status as a partner, thereby automatically guarantees payment of the difference between the maximum amount of

security required for the partnership by this paragraph and the security otherwise provided in accordance with the provisions of subparagraphs (A) and (B), provided that the aggregate amount paid by all partners under these guarantees shall not exceed the difference. Neither withdrawal by a partner nor the dissolution and winding up of the partnership shall affect the rights or obligations of a partner arising prior to withdrawal or dissolution and winding up, and the guarantee provided for in this subparagraph shall apply only to conduct that occurred prior to the withdrawal or dissolution and winding up. Nothing contained in this subparagraph shall affect or impair the rights or obligations of the partners among themselves, or the partnership, including, but not limited to, rights of contribution, subrogation, or indemnification.

(D) Confirming, pursuant to the procedure in subdivision (c), that, as of the most recently completed fiscal year of the partnership, it had a net worth equal to or exceeding fifteen million dollars (\$15,000,000).

(b) For purposes of satisfying the security requirements of this section, a registered limited liability partnership or foreign limited liability partnership may aggregate the security provided by it pursuant to subparagraphs (A), (B), (C), and (D) of paragraph (1) of subdivision (a) or subparagraphs (A), (B), (C), and (D) of paragraph (2) of subdivision (a) as the case may be. Any registered limited liability partnership or foreign limited liability partnership intending to comply with the alternative security provisions set forth in subparagraph (D) of paragraph (1) of subdivision (a) or subparagraph (D) of paragraph (2) of subdivision (a) shall furnish the following information to the Secretary of State's office, in the manner prescribed in, and accompanied by all information required by, the applicable section:

(b) A cause of action with respect to an obligation to return a distribution is extinguished unless the action is brought within four years after the distribution is made.

(c) A distribution for purposes of this section means the transfer of money or property by a registered limited liability partnership to its partners without consideration.

(b) The name of a foreign limited liability partnership transacting intrastate business in this state shall contain the words "Registered Limited Liability Partnership" or "Limited Liability Partnership" or one of the abbreviations "L.L.P.," "LLP," "R.L.L.P.," or "RLLP," or such other similar words or abbreviations as may be required or authorized by the laws of the jurisdiction of formation of the foreign limited liability partnership, as the last words or letters of its name.

(Added by Stats. 1996, Ch. 1003, Sec. 2. Effective January 1, 1997.)

16959. Registration Requirements [Repealed January 1, 2026]

(a) (1) Before transacting intrastate business in this state, a foreign limited liability partnership shall comply with all statutory and administrative registration or filing requirements of the state board, commission, or agency that prescribes the rules and regulations governing a particular profession in which the partnership proposes to be engaged, pursuant to the applicable provisions of the Business and Professions Code relating to the profession or applicable rules adopted by the governing board. A foreign limited liability partnership that transacts intrastate business in this state shall within 30 days after the effective date of the act enacting this section or the date on which the foreign limited liability partnership first transacts intrastate business in this state, whichever is later, register with the Secretary of State by submitting to the Secretary of State an application for registration as a foreign limited liability partnership, signed by a person with authority to do so under the laws of the jurisdiction of formation of the foreign limited liability partnership, stating the name of the partnership, the street address of its principal office, the mailing address of the principal office if different from the street address, the name and street address of its agent for service of process in this state in accordance with subdivision (a) of Section 16309, a brief statement of the business in which the partnership engages, and any other matters that the partnership determines to include.

(2) Annexed to the application for registration shall be a certificate from an authorized public official of the foreign limited liability partnership's jurisdiction of organization to the effect that the foreign limited liability partnership is in good standing in that jurisdiction, if the laws of that jurisdiction permit the issuance of those certificates, or, in the alternative, a statement by the foreign limited liability partnership that the laws of its jurisdiction of organization do not permit the issuance of those certificates.

- (b) The registration shall be accompanied by a fee as set forth in subdivision (b) of Section 12189 of the Government Code.
- (c) If the Secretary of State finds that an application for registration conforms to law and all requisite fees have been paid, the Secretary of State shall issue a certificate of registration to transact intrastate business in this state.
- (d) The Secretary of State may cancel the filing of the registration if a check or other remittance accepted in payment of the filing fee is not paid upon presentation. Within 90 days of receiving written notification that the item presented for payment has not been honored for payment, the Secretary of State shall give a first written notice of the applicability of this section to the agent for service of process or to the person submitting the instrument. Thereafter, if the amount has not been paid by cashier's check or equivalent, the Secretary of State shall give a second written notice of cancellation and the cancellation shall thereupon be effective. The second notice shall be given 20 days or more after the first notice.
- (e) A partnership becomes registered as a foreign limited liability partnership at the time of the filing of the initial registration with the Secretary of State or at any later date or time specified in the registration and the payment of the fee required by subdivision (b). A partnership continues to be registered as a foreign limited liability partnership until a notice that it is no longer so registered as a foreign limited liability partnership has been filed pursuant to Section 16960 or, if applicable, once it has been dissolved and finally wound up. The status of a partnership registered as a foreign limited liability partnership and the liability of a partner of that foreign limited liability partnership shall not be adversely affected by errors or subsequent changes in the information stated in an application for registration under subdivision (a) or an amended registration or notice under Section 16960.
- (f) The fact that a registration or amended registration pursuant to Section 16960 is on file with the Secretary of State is notice that the partnership is a foreign limited liability partnership and of those other facts contained therein that are required to be set forth in the registration or amended registration.

The Secretary of State shall include with instructional materials, provided in conjunction with the form for registration under subdivision (a), a notice that filing the registration will obligate the limited liability partnership to pay an annual tax for that taxable year to the Franchise Tax Board pursuant to Section 17948 of the Revenue and Taxation Code. That notice shall be updated annually to specify the dollar amount of this tax.
- (h) A foreign limited liability partnership transacting intrastate business in this state shall not maintain any action, suit, or proceeding in any court of this state until it has registered in this state pursuant to this section.
- (i) Any foreign limited liability partnership that transacts intrastate business in this state without registration is subject to a penalty of twenty dollars (\$20) for each day that unauthorized intrastate business is transacted, up to a maximum of ten thousand dollars (\$10,000).

- (j) A partner of a foreign limited liability partnership is not liable for the debts or obligations of the foreign limited liability partnership solely by reason of its having transacted business in this state without registration.
- (k) A foreign limited liability partnership, transacting business in this state without registration, appoints the Secretary of State as its agent for service of process with respect to causes of action arising out of the transaction of business in this state.
- (l) "Transact intrastate business" as used in this section means to repeatedly and successively provide professional limited liability partnership services in this state, other than in interstate or foreign commerce.
- (m) Without excluding other activities that may not be considered to be transacting intrastate business, a foreign limited liability partnership shall not be considered to be transacting intrastate business merely because its subsidiary or affiliate transacts intrastate business, or merely because of its status as any one or more of the following:
- (1) A shareholder of a domestic corporation.
 - (2) A shareholder of a foreign corporation transacting intrastate business.
 - (3) A limited partner of a foreign limited partnership transacting intrastate business.
 - (4) A limited partner of a domestic limited partnership.
 - (5) A member or manager of a foreign limited liability company transacting intrastate business.
 - (6) A member or manager of a domestic limited liability company.
- (n) Without excluding other activities that may not be considered to be transacting intrastate business, a foreign limited liability partnership shall not be considered to be transacting intrastate business within the meaning of this subdivision solely by reason of carrying on in this state any one or more of the following activities:
- (1) Maintaining or defending any action or suit or any administrative or arbitration proceeding, or effecting the settlement thereof or the settlement of claims or disputes.
 - (2) Holding meetings of its partners or carrying on any other activities concerning its internal affairs.
 - (3) Maintaining bank accounts.
 - (4) Maintaining offices or agencies for the transfer, exchange, and registration of the foreign limited liability partnership's securities or maintaining trustees or depositories with respect to those securities.
 - (5) Effecting sales through independent contractors.
 - (6) Soliciting or procuring orders, whether by mail or through employees or agents or otherwise, where those orders require acceptance without this state before becoming binding contracts.
 - (7) Creating or acquiring evidences of debt or mortgages, liens, or security interest in real or personal property.
 - (8) Securing or collecting debts or enforcing mortgages and security interests in property securing the debts.
 - (9) Conducting an isolated transaction that is completed within 180 days and not in the course of a number of repeated transactions of a like nature.
- (o) A person shall not be deemed to be transacting intrastate business in this state merely because of its status as a partner of a registered limited liability partnership or a foreign limited liability company whether or not registered to transact intrastate business in this state.

- (p) The Attorney General may bring an action to restrain a foreign limited liability partnership from transacting intrastate business in this state in violation of this chapter.
- (q) Nothing in this section is intended to, or shall, augment, diminish, or otherwise alter existing provisions of law, statutes, or court rules relating to services by a California architect, California public accountant, California engineer, California land surveyor, or California attorney in another jurisdiction, or services by an out-of-state architect, out-of-state public accountant, out-of-state engineer, out-of-state land surveyor, or out-of-state attorney in California.
- (r) An agent designated for service of process may deliver to the Secretary of State, on a form prescribed by the Secretary of State for filing, a signed and acknowledged written statement of resignation as an agent for service of process containing the name of the foreign limited liability partnership and Secretary of State's file number of the foreign limited liability partnership, the name of the resigning agent for service of process, and a statement that the agent is resigning. On filing of the statement of resignation, the authority of the agent to act in that capacity shall cease and the Secretary of State shall mail or otherwise provide written notice of the filing of the statement of resignation to the foreign limited liability partnership at its principal office.
- (s) The resignation of an agent may be effective if, on a form prescribed by the Secretary of State containing the name of the foreign limited liability partnership and Secretary of State's file number for the foreign limited liability partnership and the name of the agent for service of process, the agent disclaims having been properly appointed as the agent.
- (t) If an individual who has been designated agent for service of process dies or resigns or no longer resides in the state, or if the corporate agent for that purpose resigns, dissolves, withdraws from the state, forfeits its right to transact intrastate business, has its corporate rights, powers, and privileges suspended, or ceases to exist, the foreign limited liability partnership shall promptly file an amended application for registration as a foreign limited liability partnership designating a new agent.
- (u) The Secretary of State may destroy or otherwise dispose of any resignation filed pursuant to this section after a new application for registration as a foreign limited liability partnership is filed pursuant to this section replacing the agent for service of process that has resigned.
- (v) This section shall remain in effect only until January 1, 2026, and as of that date is repealed.

(Amended (as amended by Stats. 2018, Ch. 150, Sec. 9) by Stats. 2022, Ch. 617, Sec. 113. (SB 1202) Effective January 1, 2023. Repealed as of January 1, 2026, by its own provisions. See later operative version, as amended by Stats. 2022, Ch. 617, Sec. 114.)

(c) If the Secretary of State finds that an application for registration conforms to law and all requisite fees have been paid, the Secretary of State shall issue a certificate of registration to transact intrastate business in this state.

(d) The Secretary of State may cancel the filing of the registration if a check or other remittance accepted in payment of the filing fee is not paid upon presentation. Within 90 days of receiving written notification that the item presented for payment has not been honored for payment, the Secretary of State shall give a first written notice of the applicability of this section to the agent for service of process or to the person submitting the instrument. Thereafter, if the amount has not been paid by cashier's check or equivalent, the Secretary of State shall give a second written notice of cancellation and the cancellation shall thereupon be effective. The second notice shall be given 20 days or more after the first notice.

(e) A partnership becomes registered as a foreign limited liability partnership at the time of the filing of the initial registration with the Secretary of State or at any later date or time specified in the registration and the payment of the fee required by subdivision (b). A partnership continues to be registered as a foreign limited liability partnership until a notice that it is no longer so registered as a foreign limited liability partnership has been filed pursuant to Section 16960 or, if applicable, once it has been dissolved and finally wound up. The status of a partnership registered as a foreign limited liability partnership and the liability of a partner of that foreign limited liability partnership shall not be adversely affected by errors or subsequent changes in the information stated in an application for registration under subdivision (a) or an amended registration or notice under Section 16960.

(f) The fact that a registration or amended registration pursuant to Section 16960 is on file with the Secretary of State is notice that the partnership is a foreign limited liability

partnership and of those other facts contained therein that are required to be set forth in the registration or amended registration.

(g) The Secretary of State shall provide a form for a registration under subdivision (a), which shall include the form for confirming compliance with the optional security requirement pursuant to subdivision (c) of Section 16956. That notice shall be updated annually to specify the dollar amount of this tax.

(h) A foreign limited liability partnership transacting intrastate business in this state shall not maintain any action, suit, or proceeding in any court of this state until it has registered in this state pursuant to this section.

(i) Any foreign limited liability partnership that transacts intrastate business in this state without registration is subject to a penalty of twenty dollars (\$20) for each day that unauthorized intrastate business is transacted, up to a maximum of ten thousand dollars (\$10,000).

(j) A partner of a foreign limited liability partnership is not liable for the debts or obligations of the foreign limited liability partnership solely by reason of its having transacted business in this state without registration.

(k) A foreign limited liability partnership, transacting business in this state without registration, appoints the Secretary of State as its agent for service of process with respect to causes of action arising out of the transaction of business in this state.

(l) "Transact intrastate business" as used in this section means to repeatedly and successively provide professional limited liability partnership services in this state, other than in interstate or foreign commerce.

(m) Without excluding other activities that may not be considered to be transacting intrastate business, a foreign limited liability partnership shall not be considered to be transacting intrastate business merely because its subsidiary or affiliate transacts intrastate business, or merely because of its status as any one or more of the following:

(1) A shareholder of a domestic corporation.

(2) A shareholder of a foreign corporation transacting intrastate business.

(3) A limited partner of a foreign limited partnership transacting intrastate business.

(n) Without excluding other activities that may not be considered to be transacting intrastate business, a foreign limited liability partnership shall not be considered to be transacting intrastate business within the meaning of this subdivision solely by reason of carrying on in this state any one or more of the following activities:

(1) Maintaining or defending any action or suit or any administrative or arbitration

proceeding, or effecting the settlement thereof or the settlement of claims or disputes.

(2) Holding meetings of its partners or carrying on any other activities concerning its internal affairs.

- (9) Conducting an isolated transaction that is completed within 180 days and not in the course of a number of repeated transactions of a like nature.
- (o) A person shall not be deemed to be transacting intrastate business in this state merely because of its status as a partner of a registered limited liability partnership or a foreign limited liability company whether or not registered to transact intrastate business in this state.
- (p) The Attorney General may bring an action to restrain a foreign limited liability partnership from transacting intrastate business in this state in violation of this chapter.
- (q) Nothing in this section is intended to, or shall, augment, diminish, or otherwise alter existing provisions of law, statutes, or court rules relating to services by a California public accountant or California attorney in another jurisdiction, or services by an out-of-state public accountant or out-of-state attorney in California.
- (r) An agent designated for service of process may deliver to the Secretary of State, on a form prescribed by the Secretary of State for filing, a signed and acknowledged written statement of resignation as an agent for service of process containing the name of the foreign limited liability partnership and Secretary of State's file number of the foreign limited liability partnership, the name of the resigning agent for service of process, and a statement that the agent is resigning. On filing of the statement of resignation, the authority of the agent to act in that capacity shall cease and the Secretary of State shall mail or otherwise provide written notice of the filing of the statement of resignation to the foreign limited liability partnership at its principal office.
- (s) The resignation of an agent may be effective if, on a form prescribed by the Secretary of State containing the name and Secretary of State's file number for the foreign limited liability partnership and the name of the agent for service of process, the agent disclaims having been properly appointed as the agent.
- (t) If an individual who has been designated agent for service of process dies or resigns or no longer resides in the state, or if the corporate agent for that purpose resigns, dissolves, withdraws from the state, forfeits its right to transact intrastate business, has its corporate rights, powers, and privileges suspended, or ceases to exist, the foreign limited liability partnership shall promptly file an amended application for registration as a foreign limited liability partnership designating a new agent.
- (u) The Secretary of State may destroy or otherwise dispose of any resignation filed pursuant to this section after a new application for registration as a foreign limited

liability partnership is filed pursuant to this section replacing the agent for service of process that has resigned.

(v) This section shall become operative on January 1, 2026.

(Amended (as amended by Stats. 2018, Ch. 150, Sec. 10) by Stats. 2022, Ch. 617, Sec. 114. (SB 1202) Effective January 1, 2023. Section operative January 1, 2026, by its own provisions.)

16960. Amendment of Registration

(a) The registration of a foreign limited liability partnership may be amended by an amended registration executed by one or more partners authorized to execute an amended registration and filed with the Secretary of State, as soon as reasonably practical after any information set forth in the registration or previously filed amended registration becomes inaccurate, to add information to the registration or amended registration or to withdraw its registration as a foreign limited liability partnership.

(b) If a foreign limited liability partnership ceases to be a limited liability partnership, it shall file with the Secretary of State a notice, executed by one or more partners authorized to execute the notice, that it is no longer a foreign limited liability partnership. The notice shall state that a final annual tax return, as described by Section 17948.3 of the Revenue and Taxation Code, has been or will be filed with the Franchise Tax Board, as required under Part 10.2 (commencing with Section 18401) of the Revenue and Taxation Code.

(d) The Secretary of State shall provide forms for an amended registration under subdivision (a) and notices under subdivisions (b) and (c).

(e) If a foreign limited liability partnership files an amendment changing the name of the foreign limited liability partnership in its jurisdiction of organization, annexed to the application for registration shall be a certificate from an authorized public official of the foreign limited liability partnership's jurisdiction of organization certifying that the foreign limited liability partnership is in good standing and that the change of name was made in accordance with the laws of that jurisdiction, if the laws of that jurisdiction permit the issuance of those certificates, or, in the alternative, a statement by the foreign limited liability partnership that the laws of its jurisdiction of organization do not permit the issuance of those certificates. Unless the Secretary of State determines that the amendment to the application changing the name or alternate name of a foreign limited liability partnership does not comply with the filing requirements of this chapter, the Secretary of State, upon payment of all requisite fees, shall file the amended application and shall issue to the foreign limited liability partnership a new certificate of registration stating the date of filing of the amendment to the application changing the name and that the foreign limited liability partnership is qualified to transact intrastate business, subject to any licensing requirements otherwise imposed by the laws of this state.

(f) The filing of amended registration forms pursuant to subdivision (a) and a notice pursuant to subdivision (b) or (c) shall each be accompanied by a fee as set forth in subdivision (d) of Section 12189 of the Government Code.

(h) A certificate of merger or the agreement of merger shall have the effect of the filing of a notice of termination for each disappearing foreign limited liability partnership.

(Amended by Stats. 2022, Ch. 617, Sec. 115. (SB 1202) Effective January 1, 2023.)

16961. Filing Exemptions

(Added by Stats. 1996, Ch. 1003, Sec. 2. Effective January 1, 1997.)

16962. Agent for Service of Process

(a) Each registered limited liability partnership whose principal office is not in this state and each foreign limited liability partnership registered under Section 16959 shall designate as its agent for service of process any natural person or a domestic or foreign corporation entitled to be designated as agent for the service of process pursuant to Section 1505.

(b) In addition to service that may be made as provided in Section 416.40 of the Code of Civil Procedure, delivery by hand of a copy of any process against a registered limited liability partnership or foreign limited liability partnership registered under Section 16959 (1) to any natural person designated by it as agent or (2), if a corporate agent has been designated, to any person named in the latest certificate of the corporate agent filed pursuant to Section 1505 at the office of that corporate agent shall constitute valid service on the registered limited liability partnership or foreign limited liability partnership.

(c) If an agent for the purpose of service of process has resigned and has not been replaced or if the agent designated cannot with reasonable diligence be found at the address designated for personally delivering the process, or if no agent has been designated, and it is shown by affidavit to the satisfaction of the court that process against a registered limited liability partnership or foreign limited liability partnership required to be registered under Section 16959 cannot be served with reasonable diligence upon the designated agent by hand in the manner provided in Section 415.10, subdivision (a) of Section 415.20, or subdivision (a) of Section 415.30 of the Code of Civil Procedure or upon the registered limited liability partnership or foreign limited liability partnership in the manner provided in Section 416.40 of the Code of Civil Procedure, the court may make an order that the service be made upon the registered limited liability partnership or foreign limited liability partnership by delivering by hand to

the Secretary of State, or to any person employed in the Secretary of State's office in the capacity of assistant or deputy, one copy of the process for each defendant to be served, together with a copy of the order authorizing that service. If the court makes that order, the Secretary of State who receives the process, or the person employed in the Secretary of State's office in the capacity of assistant or deputy who receives the process, is required to accept the process. A fee as set forth in subdivision (b) of Section 12197 of the Government Code shall be paid to the Secretary of State for the use of the state upon receipt of the process. Service in this manner shall be deemed complete on the 10th day after delivery of the process to the Secretary of State.

(d) Upon the receipt of the copy of process and the fee therefor, the Secretary of State shall give notice of the service of process to the registered limited liability partnership or foreign limited liability partnership registered under Section 16959 at its principal office, by forwarding to that office, by registered mail with request for return receipt, the copy of the process or, if the records of the Secretary of State do not disclose an address for that principal office, by forwarding the copy in the same manner to the last designated agent for service of process who has not resigned. If the agent for service of process has resigned and has not been replaced and the records of the Secretary of State do not disclose an address for its principal office, no action need be taken by the Secretary of State.

(e) The Secretary of State shall keep a record of all process served upon the Secretary of State under this section and shall record therein the time of service and the Secretary of State's action with reference thereto. The certificate of the Secretary of State, under the Secretary of State's official seal, certifying to the receipt of process, the giving of notice thereof to the registered limited liability partnership or foreign limited liability partnership, and the forwarding of the process pursuant to this section shall be competent and prima facie evidence of the matters stated therein.

(b) The Secretary of State shall mail or otherwise provide written notice of the statement of resignation to the principal office of the limited liability company or foreign limited liability company.

(c) Upon filing of the statement of resignation, the authority of the agent to act in that capacity shall cease.

(d) The resignation of an agent may be effective if, on a form prescribed by the Secretary of State containing the name of the limited liability company and Secretary of State's file number for the limited liability company and the name of the agent for service of process, the agent disclaims having been properly appointed as the agent.

(e) If an individual who has been designated agent for service of process dies or resigns or no longer resides in the state, or if the corporate agent for that purpose resigns, dissolves, withdraws from the state, forfeits its right to transact intrastate business in this state, has its corporate rights, powers, and privileges suspended, or ceases to exist, the limited liability company or foreign limited liability company shall promptly file an initial or amended statement of information as set forth in Section 17702.09.

No change in the address of the agent for service of process or appointment of a new agent for service of process shall be effective until an amendment to the statement described in Section 17701.14 is filed. In the case of a foreign limited liability company that has appointed the Secretary of State as agent for service of process pursuant to subdivision (d) of Section 17708.07, process shall be delivered by hand to the Secretary of State, or to any person employed in the capacity of assistant or deputy, and shall include one copy of the process for each defendant to be served, together with a copy of the court order authorizing the service and the fee therefor. The order shall set forth the address to which the process shall be sent by the Secretary of State.

(c) If an agent for service of process has resigned and has not been replaced or if the designated agent cannot with reasonable diligence be found at the address designated for personal delivery of the process, and it is shown by affidavit to the satisfaction of the court that process against a limited liability company or foreign limited liability company cannot be served with reasonable diligence upon the designated agent by hand in the manner provided in Section 415.10, subdivision (a) of Section 415.20, or subdivision (a)

The failure of the limited liability company or foreign limited liability company to receive the notice shall not exempt the limited liability company or foreign limited liability company from complying with this section.

(d) Whenever any of the information required by subdivision (a) changes, other than the name and address of the agent for service of process, the limited liability company or foreign limited liability company may file a current statement containing all the information required by subdivision (a). (C) The responsible county superintendent of schools has otherwise determined that a lack of going concern exists for a local education agency pursuant to Section 42127.6.

(2) If the quality control review of the Controller indicates that the audit was conducted in a manner that may constitute unprofessional conduct as defined pursuant to Section 5100 of the Business and Professions Code, including, but not limited to, gross negligence resulting in a material misstatement in the audit, the Controller shall refer the case to the California Board of Accountancy. If the California Board of Accountancy finds that the independent auditor conducted an audit in an unprofessional manner, the independent auditor is prohibited from performing any audit of a local education agency for a period of three years, in addition to any other penalties that the California Board of Accountancy may impose.

(d) In any matter that is referred to the California Board of Accountancy under subparagraph (A) of paragraph (1) of subdivision (c), the Controller may suspend the independent auditor from performing any local education agency audits pending final disposition of the matter by the California Board of Accountancy if the Controller gives the independent auditor notice and an opportunity to respond to that suspension. The independent auditor shall be given credit for any period of suspension if the California Board of Accountancy prohibits the independent auditor from performing audits of the

local education agency under subdivision (c). In no event may the Controller suspend an independent auditor under this subdivision for a period of longer than three years. (e) The county superintendent of schools or the county board of education may refer an independent auditor of a local education agency to the California Board of Accountancy for action pursuant to subdivision (c) if an audit of a local education agency was conducted in a manner that may constitute unprofessional conduct as defined by Section 5100 of the Business and Professions Code, including, but not limited to, gross negligence resulting in a material misstatement in the audit.

TITLE 2. ELEMENTARY AND SECONDARY EDUCATION
DIVISION 2, PART 20. STATE EDUCATIONAL AGENCIES

(a) The Superintendent of Public Instruction, in cooperation with the Department of Finance and the State Auditor, shall, on or before July 1, 1980, provide for a plan for independent audits of state and federal funds allocated to private agencies that are under contract with the State Department of Education for the provision of educational services. EDUCATION CODE
DIVISION 3, PART 24. SCHOOL FINANCE

41020. Accounting Regulations, Budget Controls and Audits

(a) It is the intent of the Legislature to encourage sound fiscal management practices among local educational agencies for the most efficient and effective use of public funds for the education of children in California by strengthening fiscal accountability at the school district, county, and state levels.

(b) (1) Not later than the first day of May of each fiscal year, each county superintendent of schools shall provide for an audit of all funds under their jurisdiction and control and the governing board of each local educational agency shall either provide for an audit of the books and accounts of the local educational agency, including an audit of income and expenditures by source of funds, or make arrangements with the county superintendent of schools having jurisdiction over the local educational agency to provide for that auditing.

(2) A contract to perform the audit of a local educational agency that has a disapproved budget or has received a negative certification on any budget or interim financial report during the current fiscal year or either of the two preceding fiscal years, or for which the county superintendent of schools has otherwise determined that a lack of going concern exists, is not valid unless approved by the responsible county superintendent of schools and the governing board of the local educational agency.

(3) If the governing board of a local educational agency has not provided for an audit of the books and accounts of the local educational agency by April 1, the county superintendent of schools having jurisdiction over the local educational agency shall provide for the audit of the local educational agency.

(4) An audit conducted pursuant to this section shall comply fully with the Government Auditing Standards issued by the Comptroller General of the United States.

(5) For purposes of this section, "local educational agency" does not include community colleges.

(c) Each audit conducted in accordance with this section shall include all funds of the local educational agency, including the student body and cafeteria funds and accounts and any other funds under the control or jurisdiction of the local educational agency. Each audit shall also include an audit of pupil attendance procedures. Each audit shall include a determination of whether funds were expended pursuant to a local control and accountability plan or an approved annual update to a local control and accountability plan pursuant to Article 4.5 (commencing with Section 52059.5) of Chapter 6.1 of Part 28 of Division 4.

(d) All audit reports for each fiscal year shall be developed and reported using a format established by the Controller after consultation with the Superintendent and the Director of Finance.

(e) (1) The cost of the audits provided for by the county superintendent of schools shall be paid from the county school service fund and the county superintendent of schools shall transfer the pro rata share of the cost chargeable to each school district from school district funds.

(2) The cost of the audit provided for by a governing board of a local educational agency shall be paid from local educational agency funds. The audit of the funds under the

jurisdiction and control of the county superintendent of schools shall be paid from the county school service fund.

(f) (1) The audits shall be made by a certified public accountant or a public accountant, licensed by the California Board of Accountancy, and selected by the local educational agency, as applicable, from a directory of certified public accountants and public accountants deemed by the Controller as qualified to conduct audits of local educational agencies, which shall be published by the Controller not later than December 31 of each year.

(2) Commencing with the 2003–04 fiscal year and except as provided in subdivision (d) of Section 41320.1, it is unlawful for a public accounting firm to provide audit services to a local educational agency if the lead audit partner, or coordinating audit partner, having primary responsibility for the audit, or the audit partner responsible for reviewing the audit, has performed audit services for that local educational agency in each of the six previous fiscal years. The Education Audits Appeal Panel may waive this requirement if the panel finds that no otherwise eligible auditor is available to perform the audit.

(3) It is the intent of the Legislature that, notwithstanding paragraph (2), the rotation within public accounting firms conform to provisions of the federal Sarbanes-Oxley Act of 2002 (Public Law 107-204; 15 U.S.C. Sec. 7201 et seq.), and upon release of the report required by the act of the Comptroller General of the United States addressing the mandatory rotation of registered public accounting firms, the Legislature intends to reconsider paragraph (2). In determining which certified public accountants and public accountants shall be included in the directory, the Controller shall use the following criteria:

(A) The certified public accountants or public accountants shall be in good standing as certified by the Board of Accountancy.

(B) The certified public accountants or public accountants, as a result of a quality control review conducted by the Controller pursuant to Section 14504.2, shall not have been found to have conducted an audit in a manner constituting noncompliance with subdivision (a) of Section 14503.

(g) (1) The auditor's report shall include each of the following:

(A) A statement that the audit was conducted pursuant to standards and procedures developed in accordance with Chapter 3 (commencing with Section 14500) of Part 9 of Division 1 of Title 1.

(B) A summary of audit exceptions and management improvement recommendations.

(C) An evaluation by the auditor on whether there is substantial doubt about the ability of the local educational agency to continue as a going concern for a reasonable period of time. This evaluation shall be based on the Statement on Auditing Standards No. 59, as issued by the American Institute of Certified Public Accountants regarding disclosure requirements relating to the ability of the entity to continue as a going concern.

(2) To the extent possible, a description of correction or plan of correction shall be incorporated in the audit report, describing the specific actions that are planned to be taken, or that have been taken, to correct the problem identified by the auditor. The descriptions of specific actions to be taken or that have been taken shall not solely consist of general comments such as "will implement," "accepted the recommendation," or "will discuss at a later date."

(h) (1) Not later than December 15, a report of each local educational agency audit for the preceding fiscal year shall be filed with the county superintendent of schools of the county in which the local educational agency is located, the department, and the Controller. The Superintendent shall make any adjustments necessary in future apportionments of all state funds to correct any audit exceptions revealed by those audit reports.

(2) The audit report referenced in paragraph (1) for the 2020–21 fiscal year shall instead be filed no later than January 31, 2022.

(3) The extension for the audit report referenced in subdivision (m) of Sections 47605 and 47605.6 for the 2020–21 fiscal year shall instead be filed no later than January 31, 2022.

(i) (1) Commencing with the 2002–03 audit of local educational agencies pursuant to this section and subdivision (d) of Section 41320.1, each county superintendent of schools shall be responsible for reviewing the audit exceptions contained in an audit of a local educational agency under their jurisdiction related to attendance, inventory of equipment, internal control, and any miscellaneous items, and determining whether the exceptions have been either corrected or an acceptable plan of correction has been developed.

(2) Commencing with the 2004–05 audit of local educational agencies pursuant to this section and subdivision (d) of Section 41320.1, each county superintendent of schools shall include in the review of audit exceptions performed pursuant to this subdivision those audit exceptions related to use of instructional materials program funds, teacher misassignments pursuant to Section 44258.9, and information reported on the school accountability report card required pursuant to Section 33126, and shall determine whether the exceptions are either corrected or an acceptable plan of correction has been developed.

(j) Upon submission of the final audit report to the governing board of each local educational agency and subsequent receipt of the audit by the county superintendent of schools having jurisdiction over the local educational agency, the county office of education shall do all of the following:

(1) Review audit exceptions related to attendance, inventory of equipment, internal control, and other miscellaneous exceptions. Attendance exceptions or issues shall include, but not be limited to, those related to local control funding formula allocations pursuant to Section 42238.02, as implemented by Section 42238.03, and independent study.

(2) (A) If a description of the correction or plan of correction has not been provided as part of the audit required by this section, the county superintendent of schools shall notify the local educational agency and request the governing board of the local educational agency to provide to the county superintendent of schools a description of the corrections or plan of correction by March 15.

(B) In audit reports for the 2020–21 fiscal year, the description of the corrections or plan of correction referenced in subparagraph (A) shall instead be filed no later than April 15, 2022.

(3) Review the description of correction or plan of correction and determine its adequacy. If the description of the correction or plan of correction is not adequate, the

county superintendent of schools shall require the local educational agency to resubmit that portion of its response that is inadequate.

(k) (1) Each county superintendent of schools shall certify to the Superintendent and the Controller, not later than May 15, that the county superintendent of schools' staff has reviewed all audits of local educational agencies under the county superintendent of schools' jurisdiction for the prior fiscal year, that all exceptions that the county superintendent was required to review were reviewed, and that all of those exceptions, except as otherwise noted in the certification, have been corrected by the local educational agency or that an acceptable plan of correction has been submitted to the county superintendent of schools. In addition, the county superintendent shall identify, by local educational agency, any attendance-related audit exception or exceptions involving state funds, and require the local educational agency to which the audit exceptions were directed to submit appropriate reporting forms for processing by the Superintendent.

(2) For audit reports for the 2020–21 fiscal year, the deadline for certification referenced in paragraph (1) shall instead be filed no later than June 15, 2022.

(l) In the audit of a local educational agency for a subsequent year, the auditor shall review the correction or plan or plans of correction submitted by the local educational agency to determine if the exceptions have been resolved. If an exception has not been resolved, the auditor shall immediately notify the appropriate county office of education and the department and restate the exception in the audit report. After receiving that notification, the department shall either consult with the local educational agency to resolve the exception or require the county superintendent of schools to follow up with the local educational agency.

(m) (1) The Superintendent is responsible for ensuring that local educational agencies have either corrected or developed plans of correction for any one or more of the following:

(A) All federal and state compliance audit exceptions identified in the audit.

(B) Exceptions that the county superintendent of schools certifies as of May 15 have not been corrected.

(C) Repeat audit exceptions that are not assigned to a county superintendent of schools to correct.

(2) In addition, the Superintendent is responsible for ensuring that county superintendents of schools and each county board of education that serves as the governing board of a local educational agency either correct all audit exceptions identified in the audits of county superintendents of schools and of the local educational agencies for which the county boards of education serve as the governing boards or develop acceptable plans of correction for those exceptions.

(3) The Superintendent shall report annually to the Controller on the Superintendent's actions to ensure that school districts, county superintendents of schools, and each county board of education that serves as the governing board of a school district have either corrected or developed plans of correction for any of the exceptions noted pursuant to paragraph (1).

(n) To facilitate correction of the exceptions identified by the audits issued pursuant to this section, the Controller shall require auditors to categorize audit exceptions in each audit report in a manner that will make it clear to both the county superintendent of

schools and the Superintendent which exceptions they are responsible for ensuring the correction of by a local educational agency. In addition, the Controller annually shall select a sampling of county superintendents of schools, perform a followup of the audit resolution process of those county superintendents of schools, and report the results of that followup to the Superintendent and the county superintendents of schools that were reviewed.

(o) County superintendents of schools shall adjust subsequent local property tax requirements to correct audit exceptions relating to local educational agency tax rates and tax revenues.

(p) If a governing board or county superintendent of schools fails or is unable to make satisfactory arrangements for the audit pursuant to this section, the Controller shall make arrangements for the audit and the cost of the audit shall be paid from local educational agency funds or the county school service fund, as the case may be.

(q) Audits of regional occupational centers and programs are subject to this section.

(r) This section does not authorize examination of, or reports on, the curriculum used or provided for in any local educational agency.

(s) Notwithstanding any other law, a nonauditing, management, or other consulting service to be provided to a local educational agency by a certified public accounting firm while the certified public accounting firm is performing an audit of the agency pursuant to this section shall be in accord with Government Accounting Standards, Amendment No. 3, as published by the United States General Accounting Office.

(Amended by Stats. 2021, Ch. 252, Sec. 7. (AB 167) Effective September 23, 2021.)

41020.5. Accounting Regulations, Budget Controls and Audits

(a) If the Controller determines by two consecutive quality control reviews pursuant to Section 14504.2, or if a county superintendent of schools determines, that audits performed by a certified public accountant or public accountant under Section 41020 were not performed in substantial conformity with provisions of the audit guide, or that the audit reports, including amended reports, submitted by February 15 following the close of the fiscal year audited, for two consecutive years do not conform to provisions of the audit guide as required by Section 14504, the Controller or the county superintendent of schools, as appropriate, shall notify in writing the certified public accountant or public accountant and the California Board of Accountancy.

If the certified public accountant or public accountant does not file an appeal in writing with the California Board of Accountancy within 30 calendar days after receipt of the notification from the Controller or county superintendent of schools, the determination of the Controller or county superintendent of schools pursuant to this section shall be final.

(b) If an appeal is filed with the California Board of Accountancy, the board shall complete an investigation of the appeal within 90 days of the filing date. On the basis of the investigation, the board may do either of the following:

(1) Find that the determination of the Controller or county superintendent of schools should not be upheld and has no effect.

(2) Schedule the appeal for a hearing, in which case, the final action on the appeal shall be completed by the board within one year from the date of filing the appeal.

(c) If the determination of the Controller or county superintendent of schools under subdivision (a) becomes final, the certified public accountant or public accountant shall be ineligible to conduct audits under Section 41020 for a period of three years, or, in the event of an appeal, for any period, and subject to the conditions, that may be ordered by the California Board of Accountancy. Not later than the first day of March of each year, the Controller shall notify each school district and county office of education of those certified public accountants or public accountants determined to be ineligible under this section. School districts and county offices of education shall not use the audit services of a certified public accountant or public accountant ineligible under this section.

(d) For the purposes of this section, "certified public accountant or public accountant" includes any person or firm entering into a contract to conduct an audit under Section 41020.

(e) This section shall not preclude the California Board of Accountancy from taking any disciplinary action it deems appropriate under other provisions of law.

EDUCATION CODE
DIVISION 7, PART 50. FINANCE

84040. Accounting, Budget Controls and Audits

(a) It is the intent of the Legislature to encourage sound fiscal management practices among community college districts for the most efficient and effective use of public funds for the education of community college students by strengthening fiscal accountability at the district and state levels.

(b) The governing board of each community college district shall provide for an annual audit of all funds, books, and accounts of the district in accordance with regulations of the board of governors. The audit shall be made by certified public accountants licensed by the California Board of Accountancy. In the event the governing board of a community college district fails to provide for an audit, the board of governors shall provide for an audit, and if the board of governors fails or is unable to make satisfactory arrangements for such an audit, the Department of Finance shall make arrangements for the audit. The cost of any audit described above shall be paid from district funds.

(c) The board of governors shall adopt criteria and standards for periodic assessment of the fiscal condition of community college districts, and such regulations regarding the review and improvement of district fiscal conditions as necessary to encourage sound fiscal management practices. In so doing:

(1) The governing board of a community college district, as required by regulations of the board of governors, shall periodically report information to the board of governors regarding the fiscal condition of the district.

(2) The board of governors, by regulation, shall develop standards for district maintenance of sound fiscal conditions. The regulations shall authorize a board comprehensive management review of any community college district which, after assessing itself or being assessed in accordance with board criteria and standards, is shown to be experiencing fiscal difficulty. On the basis of the findings of the management review, the board of governors may recommend appropriate changes in a district's management practices.

(3) The board of governors, by regulation, shall develop appropriate procedures and actions for districts that fail to achieve fiscal stability or that fail to comply with the board of governors' recommendations. The procedures and remedies may include the appointment of a special trustee to manage the community college district. The regulations pursuant to which the board of governors may appoint a special trustee to manage the community college district shall include specific benchmarks to indicate the presence of local capacity to resume management of the community college district and clear standards that require meaningful consultation by a special trustee, or his or her designee, with the community college district prior to decisionmaking. The board of governors shall be authorized to reduce or withhold apportionment to districts to pay for the cost of the special trustee, management review, or other extraordinary costs resulting from the district's fiscal difficulties and to ensure the stabilization of the district's financial condition.

(4) The board of governors shall report to the chairs of the educational policy and fiscal committees of both houses of the Legislature, the Director of Finance, and the Governor

any corrective action taken by the district and any action taken against the district pursuant to paragraph (3).

(Amended by Stats. 2014, Ch. 466, Sec. 1. (AB 2087) Effective January 1, 2015.)

FAMILY CODE
DIVISION 17. SUPPORT SERVICES
CHAPTER 2. CHILD SUPPORT ENFORCEMENT

17520. Non-Compliance with Child Support Order

(a) As used in this section:

(1) "Applicant" means a person applying for issuance or renewal of a license.

(2) "Board" means an entity specified in Section 101 of the Business and Professions Code, the entities referred to in Sections 1000 and 3600 of the Business and Professions Code, the State Bar of California, the Department of Real Estate, the Department of Motor Vehicles, the Secretary of State, the Department of Fish and Wildlife, and any other state commission, department, committee, examiner, or agency that issues a license, certificate, credential, permit, registration, or any other authorization to engage in a business, occupation, or profession, or to the extent required by federal law or regulations, for recreational purposes. This term includes all boards, commissions, departments, committees, examiners, entities, and agencies that issue a license, certificate, credential, permit, registration, or any other authorization to engage in a business, occupation, or profession. The failure to specifically name a particular board, commission, department, committee, examiner, entity, or agency that issues a license, certificate, credential, permit, registration, or any other authorization to engage in a business, occupation, or profession does not exclude that board, commission, department, committee, examiner, entity, or agency from this term.

(3) "Certified list" means a list provided by the local child support agency to the Department of Child Support Services in which the local child support agency verifies, under penalty of perjury, that the names contained therein are support obligors found to be out of compliance with a judgment or order for support in a case being enforced under Title IV-D of the federal Social Security Act.

(4) "Compliance with a judgment or order for support" means that, as set forth in a judgment or order for child or family support, the obligor is no more than 30 calendar days in arrears in making payments in full for current support, in making periodic payments in full, whether court ordered or by agreement with the local child support agency, on a support arrearage, or in making periodic payments in full, whether court ordered or by agreement with the local child support agency, on a judgment for reimbursement for public assistance, or has obtained a judicial finding that equitable estoppel as provided in statute or case law precludes enforcement of the order. The local child support agency is authorized to use this section to enforce orders for spousal support only when the local child support agency is also enforcing a related child support obligation owed to the obligee parent by the same obligor, pursuant to Sections 17400 and 17604.

(5) "License" includes membership in the State Bar of California, and a certificate, credential, permit, registration, or any other authorization issued by a board that allows a person to engage in a business, occupation, or profession, or to operate a commercial motor vehicle, including appointment and commission by the Secretary of State as a notary public. "License" also includes any driver's license issued by the Department of Motor Vehicles, any commercial fishing license issued by the Department of Fish and Wildlife, and to the extent required by federal law or regulations, any license used for

recreational purposes. This term includes all licenses, certificates, credentials, permits, registrations, or any other authorization issued by a board that allows a person to engage in a business, occupation, or profession. The failure to specifically name a particular type of license, certificate, credential, permit, registration, or other authorization issued by a board that allows a person to engage in a business, occupation, or profession, does not exclude that license, certificate, credential, permit, registration, or other authorization from this term.

(6) "Licensee" means a person holding a license, certificate, credential, permit, registration, or other authorization issued by a board, to engage in a business, occupation, or profession, or a commercial driver's license as defined in Section 15210 of the Vehicle Code, including an appointment and commission by the Secretary of State as a notary public. "Licensee" also means a person holding a driver's license issued by the Department of Motor Vehicles, a person holding a commercial fishing license issued by the Department of Fish and Wildlife, and to the extent required by federal law or regulations, a person holding a license used for recreational purposes. This term includes all persons holding a license, certificate, credential, permit, registration, or any other authorization to engage in a business, occupation, or profession, and the failure to specifically name a particular type of license, certificate, credential, permit, registration, or other authorization issued by a board does not exclude that person from this term. For licenses issued to an entity that is not an individual person, "licensee" includes an individual who is either listed on the license or who qualifies for the license.

(b) The local child support agency shall maintain a list of those persons included in a case being enforced under Title IV-D of the federal Social Security Act against whom a support order or judgment has been rendered by, or registered in, a court of this state, and who are not in compliance with that order or judgment. The local child support agency shall submit a certified list with the names, social security numbers, individual taxpayer identification numbers, or other uniform identification numbers, and last known addresses of these persons and the name, address, and telephone number of the local child support agency who certified the list to the department. The local child support agency shall verify, under penalty of perjury, that the persons listed are subject to an order or judgment for the payment of support and that these persons are not in compliance with the order or judgment. The local child support agency shall submit to the department an updated certified list on a monthly basis.

(c) The department shall consolidate the certified lists received from the local child support agencies and, within 30 calendar days of receipt, shall provide a copy of the consolidated list to each board that is responsible for the regulation of licenses, as specified in this section.

(d) On or before November 1, 1992, or as soon thereafter as economically feasible, as determined by the department, all boards subject to this section shall implement procedures to accept and process the list provided by the department, in accordance with this section. Notwithstanding any other law, all boards shall collect social security numbers or individual taxpayer identification numbers from all applicants for the purposes of matching the names of the certified list provided by the department to applicants and licensees and of responding to requests for this information made by child support agencies.

(e) (1) Promptly after receiving the certified consolidated list from the department, and prior to the issuance or renewal of a license, each board shall determine whether the applicant is on the most recent certified consolidated list provided by the department. The board shall have the authority to withhold issuance or renewal of the license of an applicant on the list.

(2) If an applicant is on the list, the board shall immediately serve notice as specified in subdivision (f) on the applicant of the board's intent to withhold issuance or renewal of the license. The notice shall be made personally or by mail to the applicant's last known mailing address on file with the board. Service by mail shall be complete in accordance with Section 1013 of the Code of Civil Procedure.

(A) The board shall issue a temporary license valid for a period of 150 days to any applicant whose name is on the certified list if the applicant is otherwise eligible for a license.

(B) Except as provided in subparagraph (D), the 150-day time period for a temporary license shall not be extended. Except as provided in subparagraph (D), only one temporary license shall be issued during a regular license term and it shall coincide with the first 150 days of that license term. As this paragraph applies to commercial driver's licenses, "license term" shall be deemed to be 12 months from the date the application fee is received by the Department of Motor Vehicles. A license for the full or remainder of the license term shall be issued or renewed only upon compliance with this section.

(C) In the event that a license or application for a license or the renewal of a license is denied pursuant to this section, any funds paid by the applicant or licensee shall not be refunded by the board.

(D) This paragraph shall apply only in the case of a driver's license, other than a commercial driver's license. Upon the request of the local child support agency or by order of the court upon a showing of good cause, the board shall extend a 150-day temporary license for a period not to exceed 150 extra days.

(3) (A) The department may, when it is economically feasible for the department and the boards to do so as determined by the department, in cases where the department is aware that certain child support obligors listed on the certified lists have been out of compliance with a judgment or order for support for more than four months, provide a supplemental list of these obligors to each board with which the department has an interagency agreement to implement this paragraph. Upon request by the department, the licenses of these obligors shall be subject to suspension, provided that the licenses would not otherwise be eligible for renewal within six months from the date of the request by the department. The board shall have the authority to suspend the license of any licensee on this supplemental list.

(B) If a licensee is on a supplemental list, the board shall immediately serve notice as specified in subdivision (f) on the licensee that the license will be automatically suspended 150 days after notice is served, unless compliance with this section is achieved. The notice shall be made personally or by mail to the licensee's last known mailing address on file with the board. Service by mail shall be complete in accordance with Section 1013 of the Code of Civil Procedure.

(C) The 150-day notice period shall not be extended.

(D) In the event that any license is suspended pursuant to this section, any funds paid by the licensee shall not be refunded by the board.

(E) This paragraph shall not apply to licenses subject to annual renewal or annual fee.

(f) Notices shall be developed by each board in accordance with guidelines provided by the department and subject to approval by the department. The notice shall include the address and telephone number of the local child support agency that submitted the name on the certified list, and shall emphasize the necessity of obtaining a release from that local child support agency as a condition for the issuance, renewal, or continued valid status of a license or licenses.

(1) In the case of applicants not subject to paragraph (3) of subdivision (e), the notice shall inform the applicant that the board shall issue a temporary license, as provided in subparagraph (A) of paragraph (2) of subdivision (e), for 150 calendar days if the applicant is otherwise eligible and that upon expiration of that time period the license will be denied unless the board has received a release from the local child support agency that submitted the name on the certified list.

(2) In the case of licensees named on a supplemental list, the notice shall inform the licensee that the license will continue in its existing status for no more than 150 calendar days from the date of mailing or service of the notice and thereafter will be suspended indefinitely unless, during the 150-day notice period, the board has received a release from the local child support agency that submitted the name on the certified list. Additionally, the notice shall inform the licensee that any license suspended under this section will remain so until the expiration of the remaining license term, unless the board receives a release along with applications and fees, if applicable, to reinstate the license during the license term.

(3) The notice shall also inform the applicant or licensee that if an application is denied or a license is suspended pursuant to this section, any funds paid by the applicant or licensee shall not be refunded by the board. The Department of Child Support Services shall also develop a form that the applicant shall use to request a review by the local child support agency. A copy of this form shall be included with every notice sent pursuant to this subdivision.

(g) (1) Each local child support agency shall maintain review procedures consistent with this section to allow an applicant to have the underlying arrearage and any relevant defenses investigated, to provide an applicant information on the process of obtaining a modification of a support order, or to provide an applicant assistance in the establishment of a payment schedule on arrearages if the circumstances so warrant.

(2) It is the intent of the Legislature that a court or local child support agency, when determining an appropriate payment schedule for arrearages, base its decision on the facts of the particular case and the priority of payment of child support over other debts. The payment schedule shall also recognize that certain expenses may be essential to enable an obligor to be employed. Therefore, in reaching its decision, the court or the local child support agency shall consider both of these goals in setting a payment schedule for arrearages.

(h) If the applicant wishes to challenge the submission of their name on the certified list, the applicant shall make a timely written request for review to the local child support agency who certified the applicant's name. A request for review pursuant to this section shall be resolved in the same manner and timeframe provided for resolution of a complaint pursuant to Section 17800. The local child support agency shall immediately

send a release to the appropriate board and the applicant, if any of the following conditions are met:

(1) The applicant is found to be in compliance or negotiates an agreement with the local child support agency for a payment schedule on arrearages or reimbursement.

(2) The applicant has submitted a request for review, but the local child support agency will be unable to complete the review and send notice of its findings to the applicant within the time specified in Section 17800.

(3) The applicant has filed and served a request for judicial review pursuant to this section, but a resolution of that review will not be made within 150 days of the date of service of notice pursuant to subdivision (f). This paragraph applies only if the delay in completing the judicial review process is not the result of the applicant's failure to act in a reasonable, timely, and diligent manner upon receiving the local child support agency's notice of findings.

(4) The applicant has obtained a judicial finding of compliance as defined in this section.

(i) An applicant is required to act with diligence in responding to notices from the board and the local child support agency with the recognition that the temporary license will lapse or the license suspension will go into effect after 150 days and that the local child support agency and, where appropriate, the court must have time to act within that period. An applicant's delay in acting, without good cause, which directly results in the inability of the local child support agency to complete a review of the applicant's request or the court to hear the request for judicial review within the 150-day period shall not constitute the diligence required under this section which would justify the issuance of a release.

(j) Except as otherwise provided in this section, the local child support agency shall not issue a release if the applicant is not in compliance with the judgment or order for support. The local child support agency shall notify the applicant, in writing, that the applicant may, by filing an order to show cause or notice of motion, request any or all of the following:

(1) Judicial review of the local child support agency's decision not to issue a release.

(2) A judicial determination of compliance.

(3) A modification of the support judgment or order.

The notice shall also contain the name and address of the court in which the applicant shall file the order to show cause or notice of motion and inform the applicant that their name shall remain on the certified list if the applicant does not timely request judicial review. The applicant shall comply with all statutes and rules of court regarding orders to show cause and notices of motion.

This section does not limit an applicant from filing an order to show cause or notice of motion to modify a support judgment or order or to fix a payment schedule on arrearages accruing under a support judgment or order or to obtain a court finding of compliance with a judgment or order for support.

(k) The request for judicial review of the local child support agency's decision shall state the grounds for which review is requested and judicial review shall be limited to those stated grounds. The court shall hold an evidentiary hearing within 20 calendar days of the filing of the request for review. Judicial review of the local child support agency's decision shall be limited to a determination of each of the following issues:

- (1) Whether there is a support judgment, order, or payment schedule on arrearages or reimbursement.
- (2) Whether the petitioner is the obligor covered by the support judgment or order.
- (3) Whether the support obligor is or is not in compliance with the judgment or order of support.
- (4) (A) The extent to which the needs of the obligor, taking into account the obligor's payment history and the current circumstances of both the obligor and the obligee, warrant a conditional release as described in this subdivision.
(B) The request for judicial review shall be served by the applicant upon the local child support agency that submitted the applicant's name on the certified list within seven calendar days of the filing of the petition. The court has the authority to uphold the action, unconditionally release the license, or conditionally release the license.
(C) If the judicial review results in a finding by the court that the obligor is in compliance with the judgment or order for support, the local child support agency shall immediately send a release in accordance with subdivision (l) to the appropriate board and the applicant. If the judicial review results in a finding by the court that the needs of the obligor warrant a conditional release, the court shall make findings of fact stating the basis for the release and the payment necessary to satisfy the unrestricted issuance or renewal of the license without prejudice to a later judicial determination of the amount of support arrearages, including interest, and shall specify payment terms, compliance with which are necessary to allow the release to remain in effect.
(l) (1) The department shall prescribe release forms for use by local child support agencies. When the obligor is in compliance, the local child support agency shall mail to the applicant and the appropriate board a release stating that the applicant is in compliance. The receipt of a release shall serve to notify the applicant and the board that, for the purposes of this section, the applicant is in compliance with the judgment or order for support. A board that has received a release from the local child support agency pursuant to this subdivision shall process the release within five business days of its receipt.
(2) When the local child support agency determines, subsequent to the issuance of a release, that the applicant is once again not in compliance with a judgment or order for support, or with the terms of repayment as described in this subdivision, the local child support agency may notify the board, the obligor, and the department in a format prescribed by the department that the obligor is not in compliance.
(3) The department may, when it is economically feasible for the department and the boards to develop an automated process for complying with this subdivision, notify the boards in a manner prescribed by the department, that the obligor is once again not in compliance. Upon receipt of this notice, the board shall immediately notify the obligor on a form prescribed by the department that the obligor's license will be suspended on a specific date, and this date shall be no longer than 30 days from the date the form is mailed. The obligor shall be further notified that the license will remain suspended until a new release is issued in accordance with subdivision (h). This section does not limit the obligor from seeking judicial review of suspension pursuant to the procedures described in subdivision (k).

(m) The department may enter into interagency agreements with the state agencies that have responsibility for the administration of boards necessary to implement this section, to the extent that it is cost effective to implement this section. These agreements shall provide for the receipt by the other state agencies and boards of federal funds to cover that portion of costs allowable in federal law and regulation and incurred by the state agencies and boards in implementing this section. Notwithstanding any other law, revenue generated by a board or state agency shall be used to fund the nonfederal share of costs incurred pursuant to this section. These agreements shall provide that boards shall reimburse the department for the nonfederal share of costs incurred by the department in implementing this section. The boards shall reimburse the department for the nonfederal share of costs incurred pursuant to this section from moneys collected from applicants and licensees.

(n) Notwithstanding any other law, in order for the boards subject to this section to be reimbursed for the costs incurred in administering its provisions, the boards may, with the approval of the appropriate department director, levy on all licensees and applicants a surcharge on any fee or fees collected pursuant to law, or, alternatively, with the approval of the appropriate department director, levy on the applicants or licensees named on a certified list or supplemental list, a special fee.

(o) The process described in subdivision (h) shall constitute the sole administrative remedy for contesting the issuance of a temporary license or the denial or suspension of a license under this section. The procedures specified in the administrative adjudication provisions of the Administrative Procedure Act (Chapter 4.5 (commencing with Section 11400) and Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code) shall not apply to the denial, suspension, or failure to issue or renew a license or the issuance of a temporary license pursuant to this section.

(p) In furtherance of the public policy of increasing child support enforcement and collections, on or before November 1, 1995, the State Department of Social Services shall make a report to the Legislature and the Governor based on data collected by the boards and the district attorneys in a format prescribed by the State Department of Social Services. The report shall contain all of the following:

(1) The number of delinquent obligors certified by district attorneys under this section.

(2) The number of support obligors who also were applicants or licensees subject to this section.

(3) The number of new licenses and renewals that were delayed, temporary licenses issued, and licenses suspended subject to this section and the number of new licenses and renewals granted and licenses reinstated following board receipt of releases as provided by subdivision (h) by May 1, 1995.

(4) The costs incurred in the implementation and enforcement of this section.

(q) A board receiving an inquiry as to the licensed status of an applicant or licensee who has had a license denied or suspended under this section or has been granted a temporary license under this section shall respond only that the license was denied or suspended or the temporary license was issued pursuant to this section. Information collected pursuant to this section by a state agency, board, or department shall be subject to the Information Practices Act of 1977 (Chapter 1 (commencing with Section 1798) of Title 1.8 of Part 4 of Division 3 of the Civil Code).

- (r) Any rules and regulations issued pursuant to this section by a state agency, board, or department may be adopted as emergency regulations in accordance with the rulemaking provisions of the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code). The adoption of these regulations shall be deemed an emergency and necessary for the immediate preservation of the public peace, health, and safety, or general welfare. The regulations shall become effective immediately upon filing with the Secretary of State.
- (s) The department and boards, as appropriate, shall adopt regulations necessary to implement this section.
- (t) The Judicial Council shall develop the forms necessary to implement this section, except as provided in subdivisions (f) and (l).
- (u) The release or other use of information received by a board pursuant to this section, except as authorized by this section, is punishable as a misdemeanor.
- (v) The State Board of Equalization shall enter into interagency agreements with the department and the Franchise Tax Board that will require the department and the Franchise Tax Board to maximize the use of information collected by the State Board of Equalization, for child support enforcement purposes, to the extent it is cost effective and permitted by the Revenue and Taxation Code.
- (w) (1) The suspension or revocation of a driver's license, including a commercial driver's license, under this section shall not subject the licensee to vehicle impoundment pursuant to Section 14602.6 of the Vehicle Code.
- (2) Notwithstanding any other law, the suspension or revocation of a driver's license, including a commercial driver's license, under this section shall not subject the licensee to increased costs for vehicle liability insurance.
- (x) If any provision of this section or the application thereof to any person or circumstance is held invalid, that invalidity shall not affect other provisions or applications of this section which can be given effect without the invalid provision or application, and to this end the provisions of this section are severable.
- (y) All rights to administrative and judicial review afforded by this section to an applicant shall also be afforded to a licensee.

(Amended by Stats. 2019, Ch. 115, Sec. 156. (AB 1817) Effective January 1, 2020.)

(2) Upon a determination by a two-thirds vote of the state body, or, if less than two-thirds of the members are present, a unanimous vote of those members present, that there exists a need to take immediate action and that the need for action came to the attention of the state body subsequent to the agenda being posted as specified in Section 11125.

(b) Notice of the additional item to be considered shall be provided to each member of the state body and to all parties that have requested notice of its meetings as soon as is practicable after a determination of the need to consider the item is made, but shall be delivered in a manner that allows it to be received by the members and by newspapers of general circulation and radio or television stations at least 48 hours before the time of the meeting specified in the notice. Notice shall be made available to newspapers of general circulation and radio or television stations by providing that notice to all national press wire services. 11125.4. Special Meeting

(a) A special meeting may be called at any time by the presiding officer of the state body or by a majority of the members of the state body. A special meeting may only be called for one of the following purposes when compliance with the 10-day notice provisions of Section 11125 would impose a substantial hardship on the state body or when immediate action is required to protect the public interest:

- (1) To consider "pending litigation" as that term is defined in subdivision (e) of Section 11126.
- (2) To consider proposed legislation.
- (3) To consider issuance of a legal opinion.
- (4) To consider disciplinary action involving a state officer or employee.

The waiver may be given by telegram, facsimile transmission, or similar means. The written notice may also be dispensed with as to any member who is actually present at the meeting at the time it convenes. Notice shall be required pursuant to this section regardless of whether any action is taken at the special meeting.

(c) At the commencement of any special meeting, the state body must make a finding in open session that the delay necessitated by providing notice 10 days prior to a meeting as required by Section 11125 would cause a substantial hardship on the body or that immediate action is required to protect the public interest. The finding shall set forth the specific facts that constitute the hardship to the body or the impending harm to the public interest. The finding shall be adopted by a two-thirds vote of the body, or, if less than two-thirds of the members are present, a unanimous vote of those members

present. The finding shall be made available on the Internet. Failure to adopt the finding terminates the meeting.

(Amended by Stats. 2007, Ch. 92, Sec. 1. Effective January 1, 2008.)

11125.5. Emergency Meetings

(a) In the case of an emergency situation involving matters upon which prompt action is necessary due to the disruption or threatened disruption of public facilities, a state body may hold an emergency meeting without complying with the 10-day notice requirement of Section 11125 or the 48-hour notice requirement of Section 11125.4.

(b) For purposes of this section, "emergency situation" means any of the following, as determined by a majority of the members of the state body during a meeting prior to the emergency meeting, or at the beginning of the emergency meeting:

(1) Work stoppage or other activity that severely impairs public health or safety, or both.

(2) Crippling disaster that severely impairs public health or safety, or both.

(c) However, newspapers of general circulation and radio or television stations that have requested notice of meetings pursuant to Section 11125 shall be notified by the presiding officer of the state body, or a designee thereof, one hour prior to the emergency meeting by telephone. Notice shall also be made available on the Internet as soon as is practicable after the decision to call the emergency meeting has been made. If telephone services are not functioning, the notice requirements of this section shall be deemed waived, and the presiding officer of the state body, or a designee thereof, shall notify those newspapers, radio stations, or television stations of the fact of the holding of the emergency meeting, the purpose of the meeting, and any action taken at the meeting as soon after the meeting as possible.

(d) The minutes of a meeting called pursuant to this section, a list of persons who the presiding officer of the state body, or a designee thereof, notified or attempted to notify, a copy of the rollcall vote, and any action taken at the meeting shall be posted for a minimum of 10 days in a public place, and also made available on the Internet for a minimum of 10 days, as soon after the meeting as possible.

(Amended by Stats. 1999, Ch. 393, Sec. 3. Effective January 1, 2000. As provided in Sec. 7 of Ch. 393, amendment is to be implemented on July 1, 2001, or other date authorized by Dept. of Information Technology pursuant to Executive Order D-3-99.)

(a) Except as otherwise provided in this section, the state body shall provide an opportunity for members of the public to directly address the state body on each agenda item before or during the state body's discussion or consideration of the item. This section is not applicable if the agenda item has already been considered by a committee composed exclusively of members of the state body at a public meeting where interested members of the public were afforded the opportunity to address the committee on the item, before or during the committee's consideration of the item, unless the item has been substantially changed since the committee heard the item, as determined by the state body. Every notice for a special meeting at which action is proposed to be taken on an item shall provide an opportunity for members of the public

to directly address the state body concerning that item prior to action on the item. In addition, the notice requirement of Section 11125 shall not preclude the acceptance of testimony at meetings, other than emergency meetings, from members of the public if no action is taken by the state body at the same meeting on matters brought before the body by members of the public.

(b) The state body may adopt reasonable regulations to ensure that the intent of subdivision (a) is carried out, including, but not limited to, regulations limiting the total amount of time allocated for public comment on particular issues and for each individual speaker.

(c) (1) Notwithstanding subdivision (b), when a state body limits time for public comment the state body shall provide at least twice the allotted time to a member of the public who utilizes a translator or other translating technology to ensure that non-English speakers receive the same opportunity to directly address the state body.

(2) Paragraph (1) shall not apply if the state body utilizes simultaneous translation equipment in a manner that allows the state body to hear the translated public testimony simultaneously.

(d) The state body shall not prohibit public criticism of the policies, programs, or services of the state body, or of the acts or omissions of the state body. Nothing in this subdivision shall confer any privilege or protection for expression beyond that otherwise provided by law.

(e) This section is not applicable to any of the following:

(1) Closed sessions held pursuant to Section 11126.

(2) Decisions regarding proceedings held pursuant to Chapter 5 (commencing with Section 11500), relating to administrative adjudication, or to the conduct of those proceedings.

(3) Hearings conducted by the California Victim Compensation Board pursuant to Sections 13963 and 13963.1.

(4) Agenda items that involve decisions of the Public Utilities Commission regarding adjudicatory hearings held pursuant to Chapter 9 (commencing with Section 1701) of Part 1 of Division 1 of the Public Utilities Code. For all other agenda items, the commission shall provide members of the public, other than those who have already participated in the proceedings underlying the agenda item, an opportunity to directly address the commission before or during the commission's consideration of the item.

(Amended by Stats. 2021, Ch. 63, Sec. 1. (AB 1291) Effective January 1, 2022.)

11126. Closed Sessions

(a) (1) Nothing in this article shall be construed to prevent a state body from holding closed sessions during a regular or special meeting to consider the appointment, employment, evaluation of performance, or dismissal of a public employee or to hear complaints or charges brought against that employee by another person or employee unless the employee requests a public hearing.

(2) As a condition to holding a closed session on the complaints or charges to consider disciplinary action or to consider dismissal, the employee shall be given written notice of their right to have a public hearing, rather than a closed session, and that notice shall be delivered to the employee personally or by mail at least 24 hours before the time for

holding a regular or special meeting. If notice is not given, any disciplinary or other action taken against any employee at the closed session shall be null and void.

(3) The state body also may exclude from any public or closed session, during the examination of a witness, any or all other witnesses in the matter being investigated by the state body.

Those matters may include review of an applicant's qualifications for licensure and an inquiry specifically related to the state body's enforcement program concerning an individual licensee or applicant where the inquiry occurs prior to the filing of a civil, criminal, or administrative disciplinary action against the licensee or applicant by the state body.

(4) Grant a right to enter any correctional institution or the grounds of a correctional institution where that right is not otherwise granted by law, nor shall anything in this article be construed to prevent a state body from holding a closed session when considering and acting upon the determination of a term, parole, or release of any individual or other disposition of an individual case, or if public disclosure of the subjects under discussion or consideration is expressly prohibited by statute.

instructions to its negotiator regarding the price and terms of payment for the purchase, sale, exchange, or lease.

(B) However, prior to the closed session, the state body shall hold an open and public session in which it identifies the real property or real properties that the negotiations may concern and the person or persons with whom its negotiator may negotiate.

(C) For purposes of this paragraph, the negotiator may be a member of the state body.

(16) Prevent a state body that invests retirement, pension, or endowment funds from holding closed sessions when considering investment decisions. For purposes of consideration of shareholder voting on corporate stocks held by the state body, closed sessions for the purposes of voting may be held only with respect to election of corporate directors, election of independent auditors, and other financial issues that could have a material effect on the net income of the corporation. For the purpose of real property investment decisions that may be considered in a closed session pursuant

to this paragraph, a state body shall also be exempt from the provisions of paragraph (7) relating to the identification of real properties prior to the closed session.

If the session is closed pursuant to paragraph (2) of subdivision (d) of Section 11126, the state body shall state the title of, or otherwise specifically identify, the proceeding or disciplinary action contemplated. However, should the body determine that to do so would jeopardize the body's ability to effectuate service of process upon one or more unserved parties if the proceeding or disciplinary action is commenced or that to do so would fail to protect the private economic and business reputation of the person or entity if the proceeding or disciplinary action is not commenced, then the state body shall notice that there will be a closed session and describe in general terms the purpose of that session. If the session is closed pursuant to subparagraph (A) of paragraph (2) of subdivision (e) of Section 11126, the state body shall state the title of, or otherwise specifically identify, the litigation to be discussed unless the body states that to do so would jeopardize the body's ability to effectuate service of process upon one or more unserved parties, or that to do so would jeopardize its ability to conclude existing settlement negotiations to its advantage.

(c) The disclosure shall be made as part of the notice provided for the meeting pursuant to Section 11125 or pursuant to subdivision (a) of Section 92032 of the Education Code and of any order or notice required by Section 11129.

(d) If, after the agenda has been published in compliance with this article, any pending litigation (under subdivision (e) of Section 11126) matters arise, the postponement of which will prevent the state body from complying with any statutory, court-ordered, or other legally imposed deadline, the state body may proceed to discuss those matters in closed session and shall publicly announce in the meeting the title of, or otherwise specifically identify, the litigation to be discussed, unless the body states that to do so would jeopardize the body's ability to effectuate service of process upon one or more unserved parties, or that to do so would jeopardize its ability to conclude existing settlement negotiations to its advantage. Such an announcement shall be deemed to comply fully with the requirements of this section.

(e) Nothing in this section shall require or authorize a disclosure of names or other information that would constitute an invasion of privacy or otherwise unnecessarily

divulge the particular facts concerning the closed session or the disclosure of which is prohibited by state or federal law.

Nothing in this section shall prohibit the state body from establishing a procedure for readmitting an individual or individuals not responsible for willfully disturbing the orderly conduct of the meeting. (Amended by Stats. 1981, Ch. 968, Sec. 17.)

11128. Time of Closed Sessions

Each closed session of a state body shall be held only during a regular or special meeting of the body.

(Amended by Stats. 1981, Ch. 968, Sec. 18.)

If all members are absent from any regular or adjourned regular meeting, the clerk or secretary of the state body may declare the meeting adjourned to a stated time and place and he or she shall cause a written notice of the adjournment to be given in the same manner as provided in Section 11125.4 for special meetings, unless that notice is waived as provided for special meetings. A copy of the order or notice of adjournment shall be conspicuously posted on or near the door of the place where the regular, adjourned regular, special, or adjourned special meeting was held within 24 hours after the time of the adjournment. When a regular or adjourned regular meeting is adjourned as provided in this section, the resulting adjourned regular meeting is a regular meeting for all purposes. When an order of adjournment of any meeting fails to state the hour at which the adjourned meeting is to be held, it shall be held at the hour specified for regular meetings by law or regulation.

(Added by Stats. 1997, Ch. 949, Sec. 11. Effective January 1, 1998.)

11129. Continuance of Hearings

Any hearing being held, or noticed or ordered to be held by a state body at any meeting may by order or notice of continuance be continued or recontinued to any subsequent meeting of the state body in the same manner and to the same extent set forth in Section 11128.5 for the adjournment of meetings. A copy of the order or notice of continuance shall be conspicuously posted on or near the door of the place where the hearing was held within 24 hours after the time of the continuance; provided, that if the hearing is continued to a time less than 24 hours after the time specified in the order or notice of hearing, a copy of the order or notice of continuance of hearing shall be posted immediately following the meeting at which the order or declaration of continuance was adopted or made.

(b) The court in its discretion may, upon a judgment of a violation of Section 11126, order the state body to audio record its closed sessions and preserve the audio recordings for the period and under the terms of security and confidentiality the court deems appropriate.

(c) (1) Each recording so kept shall be immediately labeled with the date of the closed session recorded and the title of the clerk or other officer who shall be custodian of the recording.

(2) The audio recordings shall be subject to the following discovery procedures:

(A) In any case in which discovery or disclosure of the audio recording is sought by the Attorney General, the district attorney, or the plaintiff in a civil action pursuant to this section or Section 11130.3 alleging that a violation of this article has occurred in a closed session that has been recorded pursuant to this section, the party seeking discovery or disclosure shall file a written notice of motion with the appropriate court with notice to the governmental agency that has custody and control of the audio recording. The notice shall be given pursuant to subdivision (b) of Section 1005 of the Code of Civil Procedure.

For purposes of this subdivision, assessing the potential for adverse economic impact shall require agencies, when proposing to adopt, amend, or repeal a regulation, to adhere to the

following requirements, to the extent that these requirements do not conflict with other state or federal laws:

(1) The proposed adoption, amendment, or repeal of a regulation shall be based on adequate information concerning the need for, and consequences of, proposed governmental action.

(2) The state agency, before submitting a proposal to adopt, amend, or repeal a regulation to the office, shall consider the proposal's impact on business, with consideration of industries affected including the ability of California businesses to compete with businesses in other states. For purposes of evaluating the impact on the ability of California businesses to compete with businesses in other states, an agency shall consider, but not be limited to, information supplied by interested parties.

(3) An economic impact assessment prepared pursuant to this subdivision for a proposed regulation that is not a major regulation or that is a major regulation proposed before November 1, 2013, shall be prepared in accordance with subdivision (b), and shall be included in the initial statement of reasons as required by Section 11346.2. An economic assessment prepared pursuant to this subdivision for a major regulation proposed on or after November 1, 2013, shall be prepared in accordance with subdivision (c), and shall be included in the initial statement of reasons as required by Section 11346.2.

(b) (1) A state agency proposing to adopt, amend, or repeal a regulation that is not a major regulation or that is a major regulation proposed before November 1, 2013, shall prepare an economic impact assessment that assesses whether and to what extent it will affect the following:

(A) The creation or elimination of jobs within the state.

(B) The creation of new businesses or the elimination of existing businesses within the state.

(C) The expansion of businesses currently doing business within the state.

(D) The benefits of the regulation to the health and welfare of California residents, worker safety, and the state's environment.

(2) This subdivision does not apply to the University of California, the college named in Section 92200 of the Education Code, or the Fair Political Practices Commission.

(3) Information required from a state agency for the purpose of completing the assessment may come from existing state publications.

(4) (A) For purposes of conducting the economic impact assessment pursuant to this subdivision, a state agency may use the consolidated definition of small business in subparagraph (B) in order to determine the number of small businesses within the economy, a specific industry sector, or geographic region. The state agency shall clearly identify the use of the consolidated small business definition in its rulemaking package.

(B) For the exclusive purpose of undertaking the economic impact assessment, a "small business" means a business that is all of the following:

(C) Subparagraph (A) shall not apply to a regulation adopted by the Department of Insurance that applies to an insurance company.

(2) This subdivision shall not apply to the University of California, the college named in Section 92200 of the Education Code, or the Fair Political Practices Commission.

(3) Information required from state agencies for the purpose of completing the analysis may be derived from existing state, federal, or academic publications.

(d) Any administrative regulation adopted on or after January 1, 1993, that requires a report shall not apply to businesses, unless the state agency adopting the regulation makes a finding that it is necessary for the health, safety, or welfare of the people of the state that the regulation apply to businesses.

(e) Analyses conducted pursuant to this section are intended to provide agencies and the public with tools to determine whether the regulatory proposal is an efficient and effective means of implementing the policy decisions enacted in statute or by other provisions of law in the least burdensome manner. Regulatory impact analyses shall inform the agencies and the public of the economic consequences of regulatory choices, not reassess statutory policy. The baseline for the regulatory analysis shall be the most cost-effective set of regulatory measures that are equally effective in achieving the purpose of the regulation in a manner that ensures full compliance with the authorizing statute or other law being implemented or made specific by the proposed regulation.

(f) Each state agency proposing to adopt, amend, or repeal a major regulation on or after November 1, 2013, and that has prepared a standardized regulatory impact analysis pursuant to subdivision (c), shall submit that analysis to the Department of Finance upon completion. The department shall comment, within 30 days of receiving that analysis, on the extent to which the analysis adheres to the regulations adopted pursuant to Section 11346.36. Where the council, after hearing, determines that an examination is unlawful under this subdivision, the licensing board may continue to use and rely on the examination until such time as judicial review by the superior court of the determination is exhausted.
